Apocalypse: Contemplating the Faces of Jesus in the Book of Revelation Msgr. A. Robert Nusca, 2018-06-30 That the Apocalypse of John is a Revelation of Jesus Christ Rev 1 1 is a fact too often overlooked by interpreters of this last book of the Bible As Msgr A Robert Nusca s *The Christ of the Apocalypse: Contemplating the Faces of Jesus in the Book of Revelation* proposes beyond predictions of earthquakes and falling stars St John articulates from start to finish a multifaceted and compelling portrait of Jesus Christ Nusca offers an exegetical reading of selected verses of the Book of Revelation incorporating rich spiritual and pastoral reflections *The Christ of the Apocalypse* above all affirms that St John s God and Christ centered symbolic universe offers our contemporary world a spiritual place to stand amid the shifting sands of postmodernity As Cardinal Thomas Collins Archbishop of Toronto writes in his Foreword Now as in the first century Christians face martyrdom and those who are not called to die for Christ are called to live for Christ in a world which in many ways rejects the Gospel More than ever we need the apocalyptic vision to have our own vision of reality clarified and to be strengthened in our evangelical witness **The Apocalypse, Or, Revelation of Saint John, Translated; with Notes, Critical and Explanatory** John Chappel Woodhouse, 1805 *The Revelation of Jesus Christ* Steven Sherman, 2010-09

Interpreting Revelation in its Proper Context Too often the Western Church views Scripture from a Greek Mind set within the context of a Hellenized society The Church follows a pagan Roman solar calendar which fashions a linear compartmentalized interpretation of the Bible especially the Book of Revelation Contrary to this modernist approach the prophets and writers of the New Testament wrote the Scriptures under the inspiration of the Holy Spirit from a Hebrew cultural context The authors lived in accordance with the Torah and the lunar Hebrew calendar The Hebrew historical view is cyclical and the Hebrew Mind set encompasses a complete lifestyle The Hebrew and Greek Mind sets differ in practice The Hebrew is concerned with action the Greek with knowledge Right conduct is the ultimate concern of the Hebrew right thinking that of the Greek This distinction is critical because it affects how the Book of Revelation is interpreted The end time chronology of the Book of

Revelation is not a strict linear account as is often viewed from the Hellenistic Mind set Through a Hebrew narrative of spiraling pictures Revelation gives an overview of the Apocalypse followed by specific details which unveil the future of the nation of Israel unbelievers and the body of Messiah The Revelation of Jesus Christ is a unique verse by verse account of the Book of Revelation viewed from a Hebraic Mind set The Four Horsemen of the Apocalypse Kostas Tzouvelekis, 2016-02-22

In my previous three 3 books which are 1 The true Interpretation of the Revelation of John and the Bible 2 The Seven Golden Bowls of the Wrath of God Book One 3 The Seven Golden Bowls of the Wrath of God Book Two and which can all be found on Amazon in Kindle and in Paperback form it must be pointed out that many important verses of the Revelation of John as well as some significant verses of the Bible were correctly Interpreted and Published for the first time on a worldwide scale The present book The Four Horsemen of the Apocalypse continues in the same powerful mode and reveals a subject which is very much sought and searched by many people who want to discover the truth about this very powerful issue I have already indicated the fact that the Bible which is the Word of God cannot be Unsealed by anyone no matter how much he tries to achieve this formidable task unless God Himself gives to him the key of David as stated in the Revelation of John in Chapter 3 verse 7 In addition I have indicated many times that certain verses in the Bible have been used on purpose in order to Seal the Scripture until the right time comes as set by God and only then can the Scripture be correctly and truly Unsealed and finally Interpreted The fact that what I am offering here as well as in my other books is the True and Correct Interpretation of the Revelation of John and the Bible is also confirmed by the effortless and simple way that these verses which were used on purpose I repeat in order to make all other Interpretations null and void are now easily Interpreted On top of that it is quite obvious that the Interpretation offered here and in my other books is in complete conformity with the World s Historical stratum The Four Horsemen of the Apocalypse is a very hot issue right now and it is searched by many people who desperately want to find out the meaning of the White Horse the Fire Horse the Black Horse the Pale Horse as well as their Riders I want to make crystal clear that there is absolutely no way to provide the true Interpretation of the Revelation of John and of the Bible prior to the year of 1896 A D since this was the year that was Stigmatized by God to be the year of the true Interpretation of these marvelous Books which undoubtedly contain the infallible Word of God And because I want to remove even the slightest possible doubt from the mind of the important reader of this book here is the proof of this tremendous issue The great Prophet Daniel in Chapter 12 verse 4 was ordered to Shut up the wonderful words that He heard coming straight out of the Golden mouth of Jesus and to Seal the Book until the time of the end where many shall run to and fro and knowledge shall be increased Then Daniel in the same Chapter in verse 7 actually heard the time of the end that these wonderful things will be Unsealed where knowledge shall be increased which definitely refers to our epoch where knowledge has dramatically increased Because as Daniel himself states He heard Jesus Christ saying that in time times and half of a time all these things shall be known Daniel actually saw Jesus Christ Our Lord standing above the Water of the Euphrates

River and raising both of His Hands and swearing to Him who lives forever and ever that a brilliant amount of Knowledge was going to be poured upon humanity in time times and half of a time The time period time times and half of a time is equal to twelve hundred and sixty 1260 years and it is the time period that the Prime of the Christian Church the Christian Church of Jerusalem was displaced to the desert Monasteries of Egypt in order to be saved by the rapid and savagerous expansion of Islam All this is very clearly outlined in the Revelation of John which is in complete agreement with what the great Prophet Daniel states above Because in the Revelation of John in Chapter 12 verse 6 and verse 14 the time period of t

Commentary on Revelation Ethelbert Bullinger, 2007-03-01 With a surprising number of people professing a belief that we are living in the Biblical End Times this lively 1902 deconstruction of the Book of Revelation is even more relevant than ever Analyzing the final chapters of the Bible on a verse by verse basis and finding much to be contentious about particularly when it comes to other interpretations of the book Bullinger reveals a powerful devotional way to approach Revelation British clergyman ETHELBERT WILLIAM BULLINGER 1837 1913 was one of the most respected Bible scholars of the 19th century He is author of numerous works including Great Cloud of Witnesses and How to Enjoy the Bible **An Explanation of the Apocalypse, Or Revelation of St. John** Alexander Smyth, 1825 *The Book of Revelation*, 1957 *The Apocalypse in England* C. THE EXPLOSIVE EXPOS OF THE BOOK OF REVELATION IN WHICH FOR ALMOST 2000 YEARS CHRISTIANS HAVE BEEN FOOLED BY A MONSTROUS DECEPTION

The Apocalypse also known as the Book of Revelation is the last book of the New Testament It begins with these words The Revelation of Jesus Christ which God gave unto him to show unto his servants things which must shortly come to pass and he sent and signified it by his angel unto his servant John Who bare record of the word of God and of the testimony of Jesus Christ and of all things that he saw Revelation 1 1 KJV Those words are not those of Jesus Christ contrary to the claims of its author Transmitted through an unnamed angel they are part of a monstrous deception that has plagued Christianity ever since they were first penned Furthermore contrary to popular belief the Apocalypse was not written by John the Apostle the son of Zebedee nor is it This book expands upon the scholarly work The Apocalypse written by R H Charles in 1920 the famous scholar widely recognised as the greatest authority of his time in matters of Jewish eschatology and apocrypha His translations of the Book of Enoch and the Testaments of the Twelve Patriarchs especially are still widely used Do not be deceived The Apocalypse was rejected for seven hundred years by the churches of Asia Minor where the book originated and with good reason The book of Revelation unleashes a vision of a gore fest at the End of Time a relentless apocalyptic nightmare badly written repetitive and self contradictory In chapter after chapter it details outlandish horrors the supposed fate that imminently will befall the enemies of God As you will discover if you dare to read this book these are not the words of Jesus Do not be scared of the horrors described in the Apocalypse because the prophecies therein described were made by a false prophet and they are completely untrue Instead one should rely on the prophecies as told by Jesus in the Gospels and the prophets of the Hebrew scriptures such as that of Daniel Ezekiel Zechariah Micah and Isaiah to provide the information that we need understand this great event in human history The Second Coming of Christ and the Kingdom of God Who then wrote the Apocalypse He is the same person that John the Elder confronted in the Roman Baths of Ephesus and called the enemy of the Truth If as I will show that the Book of Revelation was written by this person then clearly he is an enemy of the Truth the Apocalypse cannot be included the Christian Canon of the New Testament Now take heed of a prophecy that Jesus made about a future time after his crucifixion Watch out that you are not deceived For many will come in my name claiming I am he and The time is near Do not follow them Luke 21 8 Do not follow anyone who says the time is near Jesus says Do not be deceived he says Yet this is exactly what the writer of the Apocalypse says Do not seal up the words of the prophecy of this scroll because the time is near Revelation 22 10 As a Christian as long as you adhere to the words of Jesus and the Apostles recorded in the Gospels and the other writings of the New Testament then the council of John the Elder the disciple that Jesus loved and the author of the Fourth Gospel will serve you well Quoting the words of Jesus If you continue in My word you are truly My disciples Then you will know the truth and the truth will set you free John 8 32 May this book set you free but this it will not do unless you are

willing look past your prejudices seek the truth and read it You will not regret it if you do **Picturing the Apocalypse**

Natasha O'Hear,Anthony O'Hear,2015-06-25 The book of Revelation has been a source of continual fascination for nearly two thousand years Concepts such as The Lamb of God the Four Horsemen the Seventh Seal the Beasts and Antichrist the Whore of Babylon Armageddon the Millennium the Last Judgement the New Jerusalem and the ubiquitous Angel of the Apocalypse have captured the popular imagination One can hardly open a newspaper or click on a news web site without reading about impending financial or climate change Armageddon while the concept of the Four Horsemen pervades popular music gaming and satire Yet few people know much about either the basic meaning or original context of these concepts or the multiplicity of different ways in which they have been interpreted by visual artists in particular The visual history of this most widely illustrated of all the biblical books deserves greater attention This book fills these gaps in a striking and original way by means of ten concise thematic chapters which explain the origins of these concepts from the book of Revelation in an accessible way These explanations are augmented and developed via a carefully selected sample of the ways in which the concepts have been treated by artists through the centuries The 120 visual examples are drawn from a wide range of time periods and media including the ninth century Trier Apocalypse thirteenth century Anglo Norman Apocalypse Manuscripts such as the Lambeth and Trinity Apocalypses the fourteenth century Angers Apocalypse Tapestry fifteenth century Apocalypse altarpieces by Van Eyck and Memling D rer and Cranach s sixteenth century Apocalypse woodcuts and more recently a range of works by William Blake J M W Turner Max Beckmann as well as film posters and stills cartoons and children s book illustrations The final chapter demonstrates the continuing resonance of all the themes in contemporary religious political and popular thinking while throughout the book a contrast will be drawn between those readers of Revelation who have seen it in terms of earthly revolutions in the here and now and those who have adopted a more spiritual otherworldly approach The Apocalypse Charles H. Talbert,1994-01-01 In this concise and clearly written commentary

Charles H Talbert brings to mainline Christians a fresh reading of the book of Revelation demonstrating that it is not only accessible but relevant for the modern day Christian According to Talbert the primary causes of the marginalized status of the book of Revelation by mainline Christians are threefold the apparent inaccessibility of its meaning the seeming impossibility of its pastoral application and its demonstrated susceptibility to abuse Talbert ably demonstrates that the book of Revelation was written to help the early Christians avoid assimilation into the larger pagan culture Talbert also gives full attention to the literature of the Greco Roman early Christian and early Jewish worlds as he examines the more mystical components of the narrative *The Apocalypse* Patrick J. John wrote a book about his strange visions while he was in Patmos a small Greek island in the Aegean Sea This John the Seer the Revelator was long believed to be one of Jesus s apostles but recent historians have determined that he was a second generation disciple In fact he was likely a political exile writing for Christians under the threat of persecution by the Roman Empire and his book the Book of Revelation was controversial obscure and rejected by many local churches as early as the 2nd century CE Even after it managed to slip into the Bible as the last book of the canon for years many doubted its authenticity and others later branded it as the heretical hallucinations of a madman Despite those controversial origins the Apocalypse or Revelation of John remains firmly embedded in the Bible as the final chapter of the great saga that opens with Genesis the beginning of everything As a bookend to Genesis Revelation provides a narrative of the end times the completion of history and the end of the world Genesis and Revelation thus constitute the Alpha and the Omega a surprising expression that the Book of Revelation applies to the divinity In the opening verses of the Book of Revelation God says to John I am the Alpha and the Omega the beginning and the end I am the one who is who always was and who is still to come John proclaims On the Lord s Day I was in the Spirit and I heard behind me a loud voice like a trumpet which said Write on a scroll what you see His esoteric narrative impenetrable to most of his readers is full of symbols keys and metaphors abounds in strange visions and prophecies monsters natural catastrophes and describes terrifying scenes that are typically described as apocalyptic This fascinating book also features some of the most well known religious concepts in the West things that have provoked fear and fascination for centuries including the four horsemen of the Apocalypse the famous number of the Beast 666 the Antichrist whom Revelation calls the beast and the whore of Babylon Perhaps inevitably the interpretation of the Book of Revelation has also generated significant controversy Once it obtained its canonical status meaning it was accepted by the whole Church as a divinely inspired text countless generations immersed themselves in its verses in an effort to decode the visions of the prophet John Theologians of many ages and even recent Biblical scholars have dissected the sentences and found clues regarding the work s authorship context and date of composition One position is that Revelation is the literal truth of things to come those who await the return of Christ in the clouds commanding the Heavenly army while others take a more spiritual interpretation Still another position is that the book narrates events that were happening while John composed the tractate and that it is a codified description in terms which were understandable to the readers of its time of the persecution of Christians under Emperor Nero or Emperor Domitian A more intriguing proposition says that Revelation in its primitive form consisted of two or more shorter texts and interestingly that it originally formed a Jewish document that originally had nothing to do with Jesus The Book of Revelation The History and Legacy of the Apocalyptic Final Book of the Bible examines what was written in Revelation the authorship and the history behind its placement in the Bible Along with pictures depicting important people places and events you will learn about Revelation like never before **The Revelation Explained** F. G. Smith, 2022-06-13 In The Revelation Explained F G Smith delves into the complex tapestry of biblical

prophecy as articulated in the Book of Revelation Employing a meticulous literary style that deftly combines exegesis and narrative analysis Smith illuminates the often obscure symbols and messages within this canonical text His examination is situated within the broader context of apocalyptic literature elucidating both historical and contemporary interpretations Through careful textual dissection Smith aims to demystify common misconceptions and provide a clear framework for understanding the prophetic visions emphasizing their relevance to both ancient audiences and modern believers F G Smith a scholar with extensive background in theology and biblical studies brings both passion and expertise to this challenging subject His academic journey shaped by rigorous analysis of religious texts and a commitment to scholarly inquiry enables him to approach the Book of Revelation with clarity and depth Smith s previous works and his engagement with communities of faith further color his insights allowing readers to connect with the material on a personal level This book is highly recommended for anyone seeking a deeper understanding of Revelation s enigmatic themes Whether you are a theologian a student or simply a curious reader The Revelation Explained provides valuable insights that are essential for comprehending the profound ideas that continue to resonate today **Revelation Revolution** Greg Albrecht, Plain Truth Ministries, 2005
