The Antagonist:

The Antagonist Lynn Coady, 2013-01-22 A piercing epistolary novel The Antagonist explores with wit and compassion how the impressions of others shape pervert and flummox both our perceptions of ourselves and our very nature Gordon Rankin Jr aka Rank thinks of himself as King Midas in reverse and indeed misfortune seems to follow him at every turn Against his will and his nature he has long been considered given his enormous size and strength a goon and enforcer by his classmates by his hockey coaches and not least by his tiny angry father He gamely lives up to their expectations until a vicious twist of fate forces him to flee underground Now pushing forty he discovers that an old trusted friend from his college days has published a novel that borrows freely from the traumatic events of Rank s own life Outraged by this betrayal and feeling cruelly misrepresented he bashes out his own version of his story in a barrage of e mails to the novelist that range from funny to furious to heartbreaking With The Antagonist Lynn Coady demonstrates all of the gifts that have made her one of Canada s most respected young writers Here she gives us an astonishing story of sons and fathers and mothers of the rewards and betrayals of male friendship and a large spirited hilarious and exhilarating portrait of a man tearing his life apart in order to put himself back together This ebook edition includes a Reading Group Guide *The Antagonist Principle* Lawrence

Poston, 2014-12-03 The Antagonist Principle is a critical examination of the works and sometimes controversial public career of John Henry Newman 1801 1890 first as an Anglican and then as Victorian England s most famous convert to Roman Catholicism at a time when such a conversion was not only a minority choice but in some quarters a deeply offensive one Lawrence Poston adopts the idea of personality as his theme not only in the modern sense of warring elements in one s own temperament and relationships with others but also in a theological sense as a central premise of orthodox Trinitarian Christian doctrine The principle of antagonism in the sense of opposition Poston argues activated Newman s imagination while simultaneously setting limits to his achievement both as a spiritual leader and as a writer The author draws on a wide variety of biographical historical literary and theological scholarship to provide an ethical reading of Newman s texts that seeks to offer a humane and complex portrait Neither a biography nor a revelation of a life this textual study of Newman s development as a theologian in his published works and private correspondence attempts to resituate him as one of the most combative of the Victorian seekers Though his spiritual quest took place on the far right of the religious spectrum in Victorian England it nonetheless allied him with a number of other prominent figures of his generation as distinct from each other as Thomas Carlyle John Stuart Mill and Walter Pater Avoiding both hagiography and iconoclasm Poston aims to see Newman whole **Popery the antagonist of liberty, civil and religious.
