Poets & Writers ,2005 Exercises, Political and Others Thomas Peronne Thompson,1842 **Days and Works** Rachel Blau DuPlessis,2017 Poetry Literary Nonfiction Following the 26 year poetic odyssey of her long poem Drafts Rachel Blau DuPlessis invites readers with DAYS AND WORKS to embark with her on not just one but a plurality of voyages In 2014 drawing on a 1914 translation of Hesiod s Works and Days appearing at the beginning of World War I DuPlessis began to write bent on dealing as did Hesiod with the insoluble oddity of being in the world and in our time Both works are built of evocative awe and practical life advice in which conflicting sensations of the textures of historical time personal time cosmological time all fold together in all their contradictions and vectors of stimuli desired and painful DuPlessis s work with rips of feeling newspaper clippings and senses of historical fate represents the oddity of all these registers involving us in different emotional twists How can so many opposite things and washes of multiple emotions occupy the same daily space Are these movements through the highly saturated consciousness of modern life a lexicon A listing a relocation DuPlessis answers in both form and language with a sense of the generative and constant between in this work expanding the everyday into a mini encyclopedic poem on an intimate scale The text offers an evocative political poetics including feminist eco poetical and anti war thinking It is an intense and generous book A Fiddle Pulled from the Throat of a Sparrow Noah Eli Gordon,2007 Poetry In this winner of the 2006 Green Rose Prize You can fairly hear the pinging of the world and all its parts noises of earth s objects rubbing against each other and the spheres In this ebullient music find the translation of colors shapes space speech integrity destruction It s as if the world s most believable cape were thrown back and below we found not a sham of seasons but all the body s most dynamic possibilities Eleni Sikelianos *Pioneers in the Study of Motion* Susan Briante,2007 Poetry Like lyric field notes from a worldwide anthropological journey Briante s poems scrutinize human and urban situations Amid a riot of signals cranes and circuitry from Mexico City to Antarctica the reader succumbs to a sense of non stop construction to the craven expansion of cities in the glistening fields In the chaos of sensory overload the poet still manages to detect droplets of pollen slip from anther to stamen to feel a stream running dry inside It s a work of shuddering velocity an ode a screed a lament a love song of pristine and inarticulate mornings Susan Briante s PIONEERS IN THE STUDY OF MOTION details the ravages of the world in a voracious struggle to savor its sweetness C D Wright **Song of a Living Room** Brigitte Byrd,2009 Poetry Invoking theorists philosophers and such poets as John Berryman and Lyn

Hejinian the poems of Brigitte Byrd's third book ask the reader to follow a ribbon threaded among music movies poetics and an unlinear sense of time Its prose poems recount and deconstruct a relationship between two central characters experiencing this journey Like an authentic vision Like slipping into a Celtic knot Like a new perception of space Brigitte Byrd writes dense lovely provocative poems Their prose forms and often rational diction are an entrancing shell game showing and shifting and showing again the true passion and lyricism of her work In this way she illuminates the eternal struggle that our minds and our bodies and our hearts are always engaged in with each other and with themselves SONG OF A LIVING ROOM is a splendid collection Robert Olen Butler *Knowledge, Forms, the Aviary* Karla Kelsey,2006 Poetry This book winner of the Sawtooth Poetry Prize takes flight from Plato's Theaetetus in which Socrates tells us that the mind works as an aviary particles of knowledge fly around like birds and the thinker plucks them down to use when he or she sees fit The bird becomes a metaphor for the action of the mind folding and unfolding into explosions and navigational patterns of flight Lyrical and thought provoking it is a masterful debut Kelsey writes what it is to know of what we become when the universe is seen in lights of its generation We are in this work in the midst of things and as Plato's Socrates has it the eye becomes filled with vision and now sees and becomes not vision but a seeing eye Carolyn Forche **The Happiness Experiment** Lisa Fishman,2007 Poetry Fishman's work marries Wordsworthian country life to modern complexity in lyrics celebrating love joy birth and wonder These lyrics carry the reader into a realm of immense immediate and surreal activity THE HAPPINESS EXPERIMENT is a dream version of what Whitman might have called a song of occupations Within Fishman's moving work of observation and recollection the world of ordinary things seems itself to think to mind itself things gather watch prepare betray forget explore give names or keep silent Throughout the poet's mercurial intelligence is alert to the play of echo and the surprises of memory in which the simplest verbs reveal their capacity to haunt Her book's experiment is always linked to experience its happiness to hap or chance Kenneth Gross **To and from** G. E. Patterson,2008 **Dick of the Dead** Rachel Loden,2009 Poetry DICK OF THE DEAD is an investigation into American sexual and political consciousness and at its eccentric heart lies the undead and uneasy 37th president of the United States Richard M Nixon Also sifting the evidence or implicated in its findings are an experimental subject in a pink tutu a Finnish gravedigger an exiled Anglo Saxon poet and an industrious gang of fairies Loden's Nixon is never merely the consummate villain deplored by his critics nor the tragic visionary statesman acclaimed by his apologists He is nearly a force of nature throwing off his gravestone in the garden at Yorba Linda calling up his troops his family and even his black and white cocker spaniel he is ready to smash death by any means necessary to beat back a sea of pretenders and retake Washington by storm DICK OF THE DEAD is a trip through the underworld of the American psyche much funnier and ultimately much more serious than any one book of poems has a right to be **Pleasure** Brian Teare,2010 Poetry LGBT Studies Like Tennyson's In Memoriam Teare's book sees within a personal loss evidence of an epochal shift at work a shift at once historical political and

cosmological Asserting the lover s body as a lost Eden revisiting again and again the narrative of the fall its iconic imagery as well as Gnostic reinterpretations the book also records the eventual end of mourning and a return to the ecology not of myth but of the literal weather and landscape of California The book is haunted throughout by the task of writing the disaster of AIDS its lyrics link emergency to inquiry in an attempt to make a memorial in language sufficient to pain not in itself the world the thought of it

In No One's Land Paige Ackerson-Kiely,2007 Poetry Winner of the 2006 Sawtooth Poetry Prize
Paige Ackerson Kiely s IN NO ONE S LAND stakes a claim on wilderness and most assuredly manages to homestead there These are not the poems borne of quiet contemplation they are edgy and lurid painfully administering to the world of convenience stores diners one night stads daring to pick at the raw skin of being and to call it beauty From the starkness of glaciers to the empty refrigerator these poems rise from the most barren landscapes and manage to make of them fabled islands joyful joyful things D A Powell

100 Notes on Violence Julie Carr,2010 Product Description Carr winner of the 2009 Sawtooth Poetry Prize obsessively researches intimate terrorism looking everywhere from Whitman and Dickinson to lists of phobias and weapon store catalogs for answers Do they lie in statistics in statements by and about rapists and killers in the capacity for cruelty that the poet herself admits to This book is a dream document both of light and innocence babies and the urge to protect them and of giving in to a wrenching darkness where despair lies in the very fact that no single factor is to blame

If Not Metamorphic Brenda Iijima,2010 Poetry IF NOT METAMORPHIC uses the long form frequently in choral antiphon to ask what kind of pressures exert change as in the title poem where war and human cruelty have turned even the kelp murderous and what exactly is changed sometimes words take on other forms before our eyes sometimes sentences try on new endings in shameless view and puns on popular culture poke through the deepest meditation These poems truncate and disrupt narrative borrowing now from the parataxis of renku now from the verse prose travelogue of haibun but do not foreclose the possibility of ephiphany Iijima still envisions a Great Swan that holds within it creation and destruction Eureka Or death The book was Peter Gizzi s selection for runner up in the 2007 Sawtooth Poetry Prize contest

Practice on Mountains David Bartone,2014 Poetry Winner of the 2013 Sawtooth Poetry Prize In a long form poetry that tirelessly makes its case for its own heritage PRACTICE ON MOUNTAINS documents a striving lover through eight weeks of various

literatures reflections and desires The poems and translations in this book value experience the lived poem The metaphysic of the literary love affair leads to its beautiful chaotic thoughtful pile of lyrical musings Wallace Stevens writes it is not the reason That makes us happy or unhappy The bird sings H D Thoreau Li Po Pound classic country hymns Glenn Gould and the poet s friends are called on among many others in the reckless appropriations that provide for such a poetry Self knowledge requires strangely enough a means to quell introspection that self thinking of self and all that there occurs which but mimics the understanding to which it cannot arrive David Bartone s PRACTICE ON MOUNTAINS offers itself as an astonishingly vivid record of just such a practice seeking some enlightenment it is also too savvy to trust exists The poetry finds an oddity

of voice absolutely necessary daily speech that contains within it shards of poetic fragment a kind of lyric discursiveness that always interrupts its own method when that method threatens to become merely such It's wonderfully self searching without being narcissistic tied into love's agonies in ways familiar but strikingly honest deprecating but audacious learned but humble It brings to its readers a primary document of the mind reading through the heart's various damage Dan Beachy

Quick **The Last 4 Things** Kate Greenstreet, 2009 Poetry Includes DVD What happens when a person loses hope and yet still has the urge to make a photograph or draw with a stick in the dirt Kate Greenstreet would like you to read this book as if you had found it left behind on the empty bus seat next to you a document not directly addressing the question Why do we make art but one that notices that one does make art despite conditions and that one would regardless THE LAST 4 THINGS comes with a DVD of two movies created by the author A poem is made by composition by putting things together and when you read this book your hands tingle THE LAST 4 THINGS brings craftsmanship to reverie it turns dreaming into meaningful work It is a serious approach to the grammar of our emotions and you do well to read it with your hands Thomas Basboll

The Whole Marie Barbara Maloutas, 2009 Poetry Winner of the 2008 Sawtooth Poetry Prize A nexus of associations psychic and social binds olive groves to the pretext of a headache to the thinnest dresses A record of solitary activity mental and physical disrupts a life in a context where a succession of bookkeepers are recalled a car is towed an easement is sought and tourists are studied because sooner or later one is one Patient curious ranging THE WHOLE MARIE has a personality And it is artifactual And wondrous Its ambiguities are offset by its concretions Vice versa She carries her one time camera Finally the breath is her guide C D Wright judge of the 2008 Sawtooth Poetry Prize Moulta's 2004 collection IN A COMBINATION OF PRACTICES is also available from SPD **Iteration Nets** Karla Kelsey, 2010 Poetry Karla Kelsey begins with the sonnet fourteen lines usually that she's appropriated from a variety of sources homophonically echoed and playfully assembled She then explodes each sonnet into a voluptuous prose poem later erasing that into a sinuous open lyric line The aim of the book is not to execute a plan or fulfill a form but to generate new modes of inhabiting a poem The result is a work of lyrical constraint and romantic conceptualism
