## The Ark:

**The Ark** Boyd Morrison, 2010-05-11 In nationally bestselling author Boyd Morrison's debut the unraveling of one of the greatest archeological mysteries from the bible Noah's Ark could threaten civilization itself in this blockbuster hailed by James Rollins as a stunning thriller. When brilliant archaeologist Dilara Kenner is contacted by Sam Watson an old family friend who says that he has crucial information about her missing father Dilara abandons her Peruvian dig and rushes to Los Angeles to meet him. But at the airport Sam speaks instead of Noah's Ark the artifact her father had long been searching for and the possible death of billions. Before Sam can explain he collapses. With his dying breath he urges Dilara to find Tyler Locke a man she's never heard of. Two days later Dilara manages to track down former combat engineer Tyler Locke on an oil rig off Newfoundland. Her helicopter transport goes down well short of the oil rig's landing pad and Dilara and those aboard nearly drown. No sooner is Dilara safely on the rig than she convinces Tyler the crash was no accident. Tyler agrees to help her uncover the secret behind Noah's Ark and more important her father's disappearance. As the picture begins to come into focus they realize they have just seven days to find the Ark before its secret is used to wipe out civilization once again. With a chilling premise and a blistering pace Boyd Morrison combines all the best elements of a blockbuster thriller with an intelligent and fascinating exploration of one of the Old Testament's great mysteries.

### The Ark of Yahweh in Redemptive History

Deuk-il Shin, 2012-11-29 The Ark of Yahweh in Redemptive History is an exegetical and theological study of the Ark of Yahweh throughout the Old Testament. The ark which appears as the centerpiece of Israelite existence in Old Testament times is widely understood as the unique symbol of God's special presence. Yet this monograph is to underline that the ark functioned as a revelatory tool of Divine attributes although many proposals on the function of the ark in the Old Testament have been presented: fetish chest bearer of God's image a miniature temple God's throne footstool a simple receptacle a war palladium and spatial center of amphictyony. In particular The Ark of Yahweh in Redemptive History shows that Yahweh led his people to faith using the sacred object in history and that the ark was in the long run a disposable object for the people of older covenant in the process of redemptive history.

### *The Ark File* Rene Noorbergen, 2004

No other object mentioned in the annals of ancient history and mythology has so stirred the imagination of amateur archaeologists as the ship known to us as Noah's ark. In The Ark File the author has traced the almost unbelievable tale of research and frustration that has accompanied the modern search for it. Is the story of Noah's ark and the Flood a mere myth or is it possibly the agonizing account of a survivor of the greatest tragedy ever to befall mankind? This book presents the answers connected with this age old mystery.
