The Persian Sphinx Amir Abbas Hoveyda And The Riddle Of The Iranian Revolution

Andrew Scott Cooper

The Persian Sphinx Amir Abbas Hoveyda And The Riddle Of The Iranian Revolution:

The Persian Sphinx Abbas Milani,2000 Amir Abbas Hoveyda was a central figure in the historic struggle between modernity and tradition in Iran a struggle pitting Western cosmopolitanism against Persian isolationism secularism against religious fundamentalism and ultimately civil society and democracy against authoritarianism In telling the story of Hoveyda s life the author has not only laid bare the development of Iranian society during a pivotal period 1919 1978 but has also unearthed important new materials on U S Iranian relations Page 4 *The Persian Sphinx* Abbas Milani,2000 Amir Abbas Hoveyda was an Iranian intellectual more comfortable with Sartre than with the classical Persian poet Saadi who rose to become his country s Prime Minister faithfully and for 13 years serving his king The tragic Shakespearian tale of Hoveyda who allowed himself to be seduced by the illusion of power makes for fascinating reading This work provides a narrative which illuminates the life of Iran s most pivotal and enigmatic 20th century figures but also sheds important light on Iran s late 20th century history

The Shah, the Islamic Revolution and the United States Darioush Bayandor,2018-12-02 The Islamic Revolution in 1979 transformed Iranian society and reshaped the political landscape of the Middle East Four decades later Darioush Bayandor draws upon heretofore untapped archival evidence to reexamine the complex domestic and international dynamics that led to the Revolution Beginning with the socioeconomic transformation of the 1960s this book follows the Shah s rule through the 1970s tracing the emergence of opposition movements the Shah s blunders and miscalculations the influence of the post Vietnam zeitgeist and the role of the Carter administration The Shah the Islamic Revolution and the United States offers new revelations about how Iran was thrown into chaos and an ailing ruler lost control with consequences that still reverberate today

Reading Revolutionary Iran Ze'ev Maghen,2023-03-06 The burden of this book is twofold The first half is charged with identifying and critiquing the many prejudices and misconceptions that inform popular and even scholarly perceptions of Islam and Iran those rooted in neo conservative hostility no less than those arising out of pro regime apologetics or what we will argue are misleading post modern methodologies This is a key component of our overall investigation both because the illusions occluding our view of the Islamic Republic are we assert piled so high and deep and because setting the record straight on many a contentious issue is the most appropriate context for elucidating the positive positions of the revolutionary clerics These last represent perhaps more than anything else the premier critics of Western civilization in our day and their ideologies may therefore be best comprehended when placed in dialogue with and in polemic against the worldviews of that civilization which in their own turn are often most profoundly understood when offset by their present day Islamist nemeses As noted above it is not all contention unexpected meeting points and congruities emerge as well when the activist Shi ite clerics are placed in the same virtual room with their occidental counterweights The second half of the book deploys a large number of rarely tapped primary sources both ancient and contemporary in order to tease out the attitudes of the class of Muslim scholars recently and currently at the helm of the

Iranian state in a variety of significant fields including the role of religion in society the relationship between democracy and theocracy the modern Western Weltanschauung the Sunni Shi'i schism and much more. Though the author parses and provides background and context for the myriad citations from these influential Muslim thinkers the ultimate objective is to allow them to speak for themselves **US Foreign Policy and the Modernization of Iran** Ben Offiler, 2015-07-19

US Foreign Policy and the Modernization of Iran examines the evolution of US-Iranian relations during the presidencies of John F. Kennedy, Lyndon B. Johnson, and Richard M. Nixon. It demonstrates how successive administrations struggled to exert influence over the Shah of Iran's regime domestic and foreign policy *Heroes to Hostages* Firoozeh Kashani-Sabet, 2023-08-24

It is easy to forget given the oppositional dynamic between Iran and the United States of the last 50 years that these two countries once shared productive partnership. Tracing US-Iran relations over two turbulent centuries Firoozeh Kashani-Sabet considers when and how this relationship went awry. With careful attention to social and cultural as well as diplomatic developments Kashani-Sabet shows that the rift did not originate in flashpoints of crisis like the 1953 coup or the 1979 Islamic Revolution but was instead long in the making. Drawing from a wealth of English and Persian language sources many of which were previously unavailable or unacknowledged this book considers the relationship from the vantage point of Iranian society and the experiences of an evolving Iran that strived to accommodate American and great power politics. Following these two nations through wars, decolonization, and revolution Kashani-Sabet presents an invaluable history of a diplomatic rivalry that informs geopolitics to this day **The Fall of Heaven** Andrew Scott Cooper, 2016-08-02

An immersive gripping account of the rise and fall of Iran's glamorous Pahlavi dynasty written with the cooperation of the late Shah's widow Empress Farah, Iranian revolutionaries and US officials from the Carter administration. In this remarkably human portrait of one of the twentieth century's most complicated personalities Mohammad Reza Pahlavi Andrew Scott Cooper traces the Shah's life from childhood through his ascension to the throne in 1941. He draws the turbulence of the post-war era during which the Shah survived assassination attempts and coup plots to build a modern pro-Western state and launch Iran onto the world stage as one of the world's top five powers. Readers get the story of the Shah's political career alongside the story of his courtship and marriage to Farah Diba who became a power in her own right the beloved family they created and an exclusive look at life inside the palace during the Iranian Revolution. Cooper's investigative account ultimately delivers the fall of the Pahlavi dynasty through the eyes of those who were there leading Iranian revolutionaries President Jimmy Carter and White House officials US Ambassador William Sullivan and his staff in the American embassy in Tehran American families caught up in the drama even Empress Farah herself and the rest of the Iranian Imperial family. Intimate and sweeping at once **The Fall of Heaven** recreates in stunning detail the dramatic and final days of one of the world's most legendary ruling families the unseating of which helped set the stage for the current state of the Middle East.

Defying the Iranian Revolution Manouchehr Ganji, 2002-09-30 Ganji who taught political science in Iran and served as

education minister before going into exile following the revolution writes from first hand experience of the political events of his homeland He describes in detail the history and people involved in the rise of the religious right the subversive activities of Iranian fundamentalists in the Sudan and elsewhere and the efforts to promote human rights and religious freedoms under successive clerical rulers since the fall of the shah Annotation copyrighted by Book News Inc Portland OR *The Middle East and North Africa 2003* Eur, *Encyclopædia Iranica* Ehsan Yarshater,1982 *Encyclopedia of the Modern Middle East & North Africa: D-K* Philip Mattar,2004 Contains entries that provide information about significant people places and events in the history of the Middle East and North Africa since 1800 arranged alphabetically from Dabbagh to Kuwait University *The Middle East* ,2000 *The History of Iran* Elton L. Daniel,2001 Daniel a world renowned expert on Iran distinguishes the Iranian people from their Arab neighbors by fully exploring the country s history and culture The History of Iran is an objective and intriguing portrait of Iran s complex history This innovative work is ideal for student use and for the interested reader BOOK JACKET *The Iranian Journal of International Affairs* ,2005 *The Echo of Iran* ,2001

The Spectator ,2000 *Yearbook of Islamic and Middle Eastern Law, Volume 12 (2005-2006)* Eugene Cotran,Martin Lau,2007-12 Practitioners and academics dealing with the Middle East can turn to the Yearbook of Islamic and Middle Eastern Law for an instant source of information on the developments over an entire year in the region The Yearbook covers Islamic and non Islamic legal subjects including the laws themselves of some twenty Arab and other Islamic countries The publication s practical features include articles on current topics country surveys reflecting important new legislation and amendments to existing legislation per country the text of a selection of documents and important court cases a Notes and News section and book reviews *Lost Wisdom* Abbas Milani,2004 In the essays collected here Abbas Milani uses an impressive array of cross disciplinary Western and Iranian theories and texts to investigate the crucial question of modernity in Iran today He offers a wealth of new insights into the thousand year old conflict in Iran between the search for modernity and the forces of religious obscurantism The essays trace the roots of Shiite Islamic fundamentalism and offer illuminating accounts of the work of Iranian intellectuals both men and women and their artistic movements as they struggle to find a new path toward a genuine modernity in Iran that is congruent with Iran s rich cultural heritage This book challenges the hitherto accepted theory that modernity and its related concepts of democracy and freedom are Western in essence It also demonstrates that Iran and the West have more that brings them together than separates them in their search for such modern ideals as rationalism the rule of law and democracy *Encyclopædia Iranica* Ehsan Yarshater,1982 This encyclopedia presents alphabetically arranged scholarly articles on topics of archeological geographic ethnographic historical artistic literary religious linguistic philosophical scientific and folkloric interest The time span covered extends from prehistory to the present however biographies of living persons are excluded Introduction *Turbulent Iran* Eldon Griffiths,2006
