*The Genesis War* Stewart Ryan Shields,2002-04-01      **The Non-Prophet's GuideTM to Spiritual Warfare** Todd Hampson,2020-09-01 Everything you need to know about fighting and winning your spiritual battles Even as a Christian it can be difficult to discern the facts about the supernatural nature of good and evil How much has pop culture influenced our ideas about angels and demons Why do we as Christians face spiritual warfare when the Holy Spirit dwells within us What limits exist on Satan s powers In *TheNon Prophet s Guide to Spiritual Warfare* bestselling author and illustrator Todd Hampson gets to the heart of your questions about spiritual battles angels demons the nature of evil and more With Todd s signature combination of light hearted illustrations and thoughtful applications of Scripture this guide is both easy to understand and deeply informative You will learn to discern between cultural myths and biblical facts about the supernatural recognize the real threats you face while remaining grounded in God s truth understand why being ready to stand against demonic influence is more important now than ever before *The Non Prophet s Guide to Spiritual Warfare* will give you the resources you need to champion spiritual battles while inspiring you to dive deeper into God s Word to equip yourself with truth      *Homiletical commentary on the Book of Genesis, chapters I-VIII by J. S. Exell, chapters IX-1 by T. H. Leale* Joseph Samuel Exell,1885      *The Preacher's Complete Homiletical Commentary on the Old Testament: Genesis* ,1892

*Armageddon* Samuel Davies Baldwin,1878      **A commentary, critical and explanatory, on the Old and New Testaments, by R. Jamieson, A.R. Fausset and D. Brown. (Portable comm.).** Robert Jamieson,1863      **Prophecy Flash!** ,2002      **Seeing the Big Picture** Alastair T. Ferrie,2012-10 To many Christians the Old Testament is a mysterious document a treasure hidden in the dust of antiquity It is historical it tells the story of ancient Israel but has it anything to do with me Seeing the Big Picture is the story of one man s voyage of discovery The Bible as a whole is the dramatic story of redemption which comes to a climax in the New Testament In every book of the Old Testament the theme of the coming of Christ is there burning brightly like a lamp in the darkness heralding the day when the glory of the Christ would burst majestically forth Suddenly I saw that this was truly one story It was almost as if someone had turned a light on I could see things much more clearly and so many aspects of the New Testament study were brought into such clear focus that I understood as never before      **Rungs of Disclosure** ,2024-10-15 Is this the coming Great Deception By the end of this book you will reveal the truth about extraterrestrial presences on earth that they are real burgeoning and not going away You also will understand what the Biblical perspective on this phenomenon is and is not They ve been here for thousands of years making their presence known in the shadows They might be seen by a lonely motorist on a deserted road late at night or by a frightened and confused husband in the bedroom he is sharing with his wife Perhaps the most disconcerting part of this phenomenon boils down to this question Has the government been aware of their presence all along and is covertly working with them toward some secret end In *Rungs of Disclosure* what once was fringe is now reality While reading you ll meet

regular people just like you who have encountered something beyond their ability to explain You ll also hear from people of great faith and deep religious belief who continue to have these strange and deeply unsettling encounters L A Marzulli explores these ongoing incidents to discover the answers to these questions Who are they What do they want And why are they here Can you handle the truth Read this book if you dare *Kingdom Conflict* Joseph M. Stowell,1996 *Kingdom Conflict* offers a real world glimpse of the struggle between the kingdom of God and the kingdom of Satan Through a revealing combination of illustration exposition commentary and practical application Joseph Stowell presents powerful strategies for winning your kingdom conflicts *Homiletical Commentary on the Book of Genesis* Joseph Samuel Exell,Thomas Henry Leale,1892

**The Shortest Leap** A. L. Van Den Herik,2020-04-28 All worldviews require a leap of faith but not all leaps of faith are the same A one stop shop for the rational evidence for Christianity *The Shortest Leap* presents the scientific historical biblical and explanatory underpinnings of the Christian faith demonstrating that faith in Jesus requires the shortest leap In addition to providing proactive evidence for Christianity *The Shortest Leap* responds to the numerous shots fired at biblical Christianity by atheists critics of Christianity and other skeptics *The Shortest Leap* answers a wide range of difficult questions including Is the Bible consistent with the findings of cutting edge secular science Was there really a man named Jesus or is he just a myth And even if he did exist aren t the events of Jesus life and his teachings as described in the New Testament merely fabrications of the earliest Christians Does the historical evidence support the claim that Jesus rose from the dead To understand who Jesus really was why shouldn t we consider other documents outside the Bible such as the Gnostic gospels Why were some documents excluded from the New Testament Did Jesus really claim to be God or did the earliest Christians just want to believe that Is the Old Testament still relevant Does it really point to Jesus hundreds to thousands of years before he lived How does the salvation by grace of Christianity differ from the salvation by works of all other religions Why can t I just believe in the Jesus that I like the best How can I be sure I have eternal life **Works** John Henry Newman,1893 *Prophecy Made Easy* Glen Walker,2001 **The Works of Cardinal Newman** John Henry

Newman,1900 **The Theology of God** LaVerne H.
