us for the most part an open book Nevertheless there are many obscure passages in it and there remain many questions not to be answered with certainty the first of which is as to the date of his birth His own statements on this subject are contradictory and the original records are lost But it seems probable that he was born on the thirteenth of December 1797 the eldest child of Jewish parents recently domiciled at D sseldorf on the Rhine We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
