The German Idealists

Frederick C. Beiser

The German Idealists:

The German Idealism Reader Marina F. Bykova, 2019-11-28 The German Idealism Reader is a comprehensive account of the key ideas and arguments central to German idealists and their immediate critics Expanding the scope beyond the four best known representatives Kant Fichte Schelling and Hegel and including those thinkers often considered as secondary but who are also crucial for understanding of this period the Reader presents an influential era in all its philosophical complexity Through its broad coverage of philosophers and their texts it offers a complete dynamic picture of the intellectual period and features Selections from key texts by Kant Fichte Schelling and Hegel Readings from Reinhold Schiller Maimon Schulze Jacobi Hlderlin and Novalis Responses to and critiques of German idealist thought by late nineteenth century thinkers such as Schopenhauer Feuerbach Marx Kierkegaard and Nietzsche Selections extending beyond the typical focus on epistemology and metaphysics to include ethics religion society and art A general introduction and timeline together with a chronology and bibliography to each thinker and introductory overviews to both thinkers and text With readings carefully selected to illustrate thinkers in dialogue with each other The German Idealism Reader provides a better appreciation of the philosophical discussions central to the period This is essential reading for all students of German idealism and the nineteenth century German and Continental philosophies as well as to those studying the important movements and periods of European intellectual history

Spinoza and German Idealism Eckart Förster, Yitzhak Y. Melamed, 2012-09-13 An

extensive examination of the profound impact of Spinoza's philosophy on the German Idealists

Understanding German Idealism Will Dudley, 2014-12-05 Understanding German Idealism provides an accessible introduction to the philosophical movement that emerged in 1781 with the publication of Kant's monumental Critique of Pure Reason and ended fifty years later with Hegel's death The thinkers of this period and the themes they developed revolutionized almost every area of philosophy and had an impact that continues to be felt across the humanities and social sciences today Notoriously complex the central texts of German Idealism have confounded the most capable and patient interpreters for more than 200 years Understanding German Idealism aims to convey the significance of this philosophical movement while avoiding its obscurity Readers are given a clear understanding of the problems that motivated Kant Fichte Schelling and Hegel and the solutions that they proposed Dudley outlines the main ideas of transcendental idealism and explores how the later German Idealists attempted to carry out the Kantian project more rigorously than Kant himself striving to develop a fully self critical and rational philosophy in order to determine the meaning and sustain the possibility of a free and rational modern life The book examines some of the most important early criticisms of German Idealism and the philosophical alternatives to which they led including romanticism Marxism existentialism and naturalism

The Palgrave Handbook of German Idealism M. Altman, 2017-12-01 The Palgrave Handbook of German Idealism features essays from leading scholars on German philosophy It is the most comprehensive secondary source available covering not only the full range of work by Kant Fichte Schelling

and Hegel but also idealists such as Reinhold and Schopenhauer critics such as Jacobi Maimon and the German Romantics

German Idealism Georg Mohr, Brian O'Connor, 2019-08-06 This book brings together and introduces selections from the main philosophical writings of the German Idealists Kant Fichte Schelling and Hegel. As well as being the most comprehensive anthology of this period of the history of philosophy it also provides scholarly guides to all of the selected material. Each of the selected texts comes with an editorial introduction to help the reader through the specific problems dealt with in the text as well as explaining its historical context. In addition there is an introductory essay which sets out the many challenges faced in any interpretation of the German Idealist period of philosophy. The material is arranged thematically into the following sections: Self and Knowledge, Freedom and Morality, Law and State, Art and Beauty, History and Reason, Nature and Science, God and Religion. This arrangement enables the reader to appreciate the differing positions of Kant, Fichte, Schelling and Hegel on the central questions of philosophy. This book is indispensable for those who want to understand the unique character problems and questions of German Idealism and will also be useful to those who want to explore new areas of this influential and original epoch of philosophy. Features: Essential texts combined with a thorough guide to German Idealism. Concentrates on the four major figures of German Idealism: Kant, Fichte, Schelling and Hegel. Thematic sections maximise the book's use for teaching purposes. Makes available material which is difficult to find. **The**

Cambridge Companion to German Idealism Karl Ameriks, 2017-08-11 This updated edition offers a comprehensive, penetrating and informative guide to what is regarded as the classical period of German philosophy. Kant, Fichte, Hegel and Schelling are all discussed in detail along with contemporaries such as Hölderlin, Novalis and Schopenhauer whose influence was considerable but whose work is less well known in the English speaking world. Leading scholars trace and explore the unifying themes of German Idealism and discuss its relationship to Romanticism, the Enlightenment and the culture of eighteenth and nineteenth century Europe. This second edition offers an updated bibliography and includes three entirely new chapters which address aesthetic reflection and human nature, the chemical revolution after Kant and organism and system in German Idealism. The result is an illuminating overview of a rich and complex philosophical movement and will appeal to a wide range of interested readers in philosophy, literature, theology, German studies and the history of ideas.

German Idealism Frederick C. Beiser, 2008-03-31 One of the very few accounts in English of German idealism this ambitious work advances and revises our understanding of both the history and the thought of the classical period of German philosophy. As he traces the structure and evolution of idealism as a doctrine Frederick Beiser exposes a strong objective or realist strain running from Kant to Hegel and identifies the crucial role of the early romantics Hölderlin, Schlegel and Novalis as the founders of absolute idealism. **Kantian Legacies in German Idealism** Gerard Gentry, 2021-05-10 Scholarship on Immanuel Kant and the German Idealists often attends to the points of divergence. While differences are vital this volume does the opposite offering a close inspection of some of the key Kantian concepts that are embraced and retained by the

Idealists It does this by bringing together an original set of critical reflections on the role that the German Idealists ascribe to fundamental Kantian ideas and insights within their own systems A central motivation for this volume is to resist reductive accounts of the complex relationship between German Idealism and Kant's Idealism through a study of the inheritance of Kant's legacy in German Idealism As such this volume contributes to new interpretations and rethinking of traditional accounts in light of these reflections on some of the significant components of German Idealism that can defensibly be called Kantian The contributors to this volume are Dina Emundts Eckart F rster Gerad Gentry Johannes Haag Dean Moyar Lydia Moland Dalia Nassar Karin Nisenbaum Anne Pollok and Nicholas Stang Introducing the German Idealists Robert C.

Solomon, 1981 *Addresses to the German Nation* Johann Fichte, Fichte's 1808 Addresses to the German Nation Reden an die deutsche Nation arose from public lectures delivered in occupied Berlin in the winter of 1807 to 1808 when Prussia reeled after Jena and Auerstedt and Napoleon's troops held the city The book proposes a national renewal grounded in education language and moral self formation drawing on Kantian autonomy and on the pedagogy of Pestalozzi while speaking to a lay audience in the Academy hall on Unter den Linden It has long been read as a turning point in German letters where philosophical idealism steps onto the civic stage and speaks in the register of collective vocation rather than private speculation Published in Berlin in 1808 on the basis of fourteen addresses delivered at the Royal Academy of Sciences this volume presents a sustained argument that the cultivation of character through a common school system and a shared language can reconstitute a people after political collapse a thesis elaborated through the idiom of the Wissenschaftslehre and supported by examples from native literature and history while acknowledging the practical art of teaching associated with Pestalozzi and the earlier philological nationalism of Herder the orator's cadence is unmistakable for here a metaphysician writes as a civic instructor framing duty freedom and Bildung as tasks for households and classrooms no less than for ministries Often translated as Speeches to the German Nation the book weds speculative claims about the I and self positing activity to proposals for school discipline teacher formation and the moral ends of instruction and it does so in language that moves between rigorous abstraction and concrete appeals so that the reader finds not a pamphlet for the day but a treatise in oratorical dress where rhetoric serves philosophy and not the reverse The philosophical architecture of the Addresses rests upon Fichte's adaptation of Kantian critical philosophy to the sphere of collective identity employing concepts from his earlier epistemological investigations to ground claims about national character and destiny Written as a continuation of his Characteristics of the Present Age the work attempts to diagnose the contemporary crisis through the application of transcendental idealist principles to historical analysis positioning German culture as the potential vehicle for European moral and intellectual renewal While the text has attracted extensive scholarly attention for its role in the development of modern nationalist ideology its literary merit lies in Fichte's skillful integration of rigorous philosophical argumentation with passionate rhetorical appeal creating a work that functions both as systematic treatise and as political

exhortation designed to mobilize its audience toward collective action This modern professional translation provides scholarly depth and supplementary materials that contextualize Fichte's philosophy within his social and intellectual framework This critical reader's edition includes an extensive afterword that traces Fichte's personal relationships with Hegel and Kant Fichte was close with Kant who helped him publish his first book on philosophy Fichte considered himself an heir to Kant's philosophy However Kant ended their friendship by calling his system completely indefensible and claiming that Fichte had transformed critical philosophy into something he no longer recognized a form of idealism that eliminated the thing in itself entirely and made everything dependent on the activity of the ego Fichte and Hegel knew each other at the University of Jena where Hegel was influenced by Fichte's idealist philosophy However he later developed sharp criticisms of Fichte's system Hegel eventually saw Fichte's philosophy as incomplete and overly subjective a view he expressed in works such as the *Phenomenology of Spirit* Fichte influenced Schopenhauer's concept of the irrational will Freud's ego and Sartre's existentialism In recent decades i ek's praise of Fichte's subjective negativity as highlighting the void of the real has revitalized interest in Fichte This edition contains a comprehensive timeline that connects the major events of Fichte's life with world events It also includes a glossary of critical philosophical and Romantic idealist terminology and a detailed index that provides an authoritative guide to his complete writings bringing to life this critical German Idealist philosopher and his relevance in today's world

Reason and Conversion in Kierkegaard and the German Idealists Ryan Kemp,Christopher Iacovetti,2020-05-10 In his late work *Religion within the Boundaries of Mere Reason* Immanuel Kant struggles to answer a straightforward yet surprisingly difficult question how is radical conversion a complete reorientation of a person's most deeply held values possible In this book Ryan S Kemp and Christopher Iacovetti examine how this question gets taken up by Kant's philosophical heirs Schelling Fichte Hegel and Kierkegaard More than simply developing a novel account of each thinker's position Kemp and Iacovetti trace how each philosopher formulates his theory in response to tensions in preceding views culminating in Kierkegaard's claim that radical conversion lies outside a person's control Kemp and Iacovetti close by examining some of the moral psychological implications of Kierkegaard's account particularly the question of how someone might responsibly relate to values that have by their own admission been acquired in contingent and accidental fashion

German Idealism Today Markus Gabriel,Anders Moe Rasmussen,2017-09-25 This collection of essays provides an exemplary overview of the diversity and relevance of current scholarship on German Idealism The importance of German Idealism for contemporary philosophy has received growing attention and acknowledgment throughout competing fields of contemporary philosophy Part of the growing interest rests on the claim that the works of Kant Fichte Schelling Hegel remain of considerable interest for cultural studies sociology theology aesthetics and other areas of interest In the domain of philosophy the renaissance of innovative readings of German Idealism has taken scholarly debates beyond merely antiquarian perspectives This renaissance has been a major factor of current efforts to bridge the gap

between so called analytic and so called continental philosophy The volume provides a selection of well chosen examples of readings that contribute to systematic treatments of philosophical problems It contains among others contributions by Markus Gabriel Robert Pippin Anders Moe Rasmussen Sebastian Rdl *The Age of German Idealism* Kathleen Higgins, Robert C. Solomon, 2023-05-09 German Idealism was one of the most fertile and important movements in the history of Western philosophy This volume includes eleven chapters on all aspects and the period's most influential philosophers including Kant and Hegel *The German Idealists* Hermann Selchow, 2024-08-23 Discover with me the roots of our modern thinking The German Idealists Is Patriotism Still Contemporary takes you on an exciting journey into the time of the Napoleonic occupation and shows you how important thinkers such as Fichte Schelling and Hegel shaped not only philosophy but also the self image of an entire nation In a changing world this book asks the important questions What does patriotism mean in a globalized society How can we preserve our identity and values while being open to the challenges of the present This book is a must for anyone interested in philosophy history and the great ideas of humanity Let yourself be inspired by the thoughts of the German Idealists and find out what patriotism means today beyond nationalism but full of love for freedom justice and humanity The German Idealists Is Patriotism Still Contemporary a book that makes you think and sharpens your eye for what is essential Ideal for anyone who wants to delve deeply and reflectively into the topics of identity and national consciousness Take part in the current discussions and discover the timeless values that hold us together as a society Hermann Selchow **Nietzsche, German Idealism and Its Critics** Katia Hay, Leonel R. dos Santos, 2015-10-16 Nietzsche is known as a severe critic of German Idealism but what exactly is the relation between his thought and theirs And how does Nietzsche's stance differ from the critique of idealism in Kierkegaard and Schopenhauer The papers from leading international specialists in German Idealism Schopenhauer Kierkegaard and Nietzsche address these questions The aim of the volume is to introduce novel ways of addressing the complex relations between Nietzsche and his immediate philosophical predecessors Schopenhauer Kierkegaard Hegel Schelling Fichte and Kant The focus is on the profound interconnections and affinities between their ways of thinking Each paper considers one particular aspect of Nietzsche's philosophy such as his notion of spirit law power will his physiology or his critique of morality in relation to the above mentioned philosophers This largely systematic approach reveals surprising affinities between Nietzsche and the German idealists despite their patent differences and generates new perspectives from which to understand and reinterpret Nietzsche's thought Contributors Maria J Branco Danielle Cohen Levinas Joao Constancio Carlos J Correia Katia Hay Lore Hhn Jose Justo Elisabetta Marques J de Sousa Frederick Neuhouser Leonel R dos Santos Philipp Schwab Herman Siemens **The Transformation of Reason: Studies on System, Myth, and History in German Idealism** Diogo Ferrer, 2024-07-01 Critique skepticism conflict incompleteness nothingness irrational abyss evil and even genocide That is what German idealism is also about Trying to chart human reason as an architectural system Kant Fichte Hegel and

Schelling uncovered that the most significant problems lie beneath the ground in the foundations Can reason survive the discovery of what lies at its depths And should it This book ventures into these foundations addressing the keen philosophical innovations of German idealists Through comparative and development studies it presents fresh interpretations of how these leading thinkers reconstructed reason on unexplored territories The greatest hazard was triggering an enduring inversion of values

Recognition - German Idealism as an Ongoing Challenge Christian Krijnen,2013-10-24 There has been an intensive debate in recent years particularly in political philosophy on how the concept of recognition Anerkennung can bring insight into understanding social and political relationships and answering ethical questions Proponents of this philosophy seek to apply German Idealism especially Hegel to the arguments of recognition in order to solve contemporary problems However does the present debate incorporate sufficiently the requirements of the idealist philosophy which it pretends to inherit and update As a new paradigm for philosophy claiming to actualize German idealist philosophy it provokes questions about the foundation of the principle of recognition itself as well as about which philosophical method provides the best means for addressing recognition In Recognition German Idealism as an Ongoing Challenge renowned authors address this fascinating and far reaching questions in discussion with Kant Fichte Schelling and Hegel Contributors include Robert Brandom Paul Cobben Simon Critchley Pirmin Stekeler Weithofer Kenneth Westphal Klaus Vieweg Erzs bet R sza Christian Krijnen Heikki Ilmari Donald Loose Kurt Walter Zeidler Jean Christophe Merle Sasa Josifovic Arthur Kok Emiliano Acosta

Philosophy of German Idealism: Fichte, Jacobi, and Schelling Ernst Behler,1987-04-01 The texts in this volume constitute highlights in the movement called transcendental idealism Includes Fichte's Some Lectures Concerning the Scholar's Vocation and A Crystal Clear Report to the General Public Jacobi's On Faith and Knowledge in Response to Schelling and Hegel and Open Letter to Fichte 1799 an anonymous author's The Oldest Systematic Program of German Idealism 1797 and Schelling's Ideas on a Philosophy of Nature as an Introduction to the Study of This Science Philosophical Investigations into the Essence of Human Freedom and Related Matters and other texts For other texts in German

Philosophy see vols 5 13 24 27 40 48 and 78 **Confronting the German Idealist Tradition** Tadahiro Oota,2023-05-24 The philosophical activity of modern Germany represents a peak in the history of philosophy beginning from Thales in ancient Greece This book attempts to reconsider the conventional image of 19th century German philosophy To this end it illuminates a forgotten philosophical stream contemporaneous with so called German idealism From this perspective this book examines the philosophy of Jakob Friedrich Fries a philosopher contemporaneous and in confrontation with Hegel By examining Fries's standpoint the book attempts to reconstruct the picture of 19th century German philosophy In the 19th and 20th centuries philosophers other than Kant Fichte Schelling and Hegel especially Fries had a significant influence on the history of philosophy constituting an alternative genealogy to Hegel's One might say that the conventional history of philosophy conceals Fries's influence Accordingly this book will examine Fries's philosophy the Friesian school established by E F Apelt and

the Neo Friesian school formed by Leonard Nelson This approach reveals the factiousness of the history of philosophy that starts from Kant passes through German idealism and flows into the Neo Kantian movement It will provide a new viewpoint from which to reconsider the history of German philosophy *German Idealist Philosophy* Various, 1997-11-01 The great quest for systematic knowledge in the decades around the year 1800 gave rise to one of the most spirited eras in the history of philosophical exploration exemplified by the school of German Idealist philosophy With confidence and sweeping aspirations the Idealist philosophers Immanuel Kant Johann Fichte Friedrich Schelling and Georg Hegel set out to make metaphysics a science to explore the nature of the self and man's role in society to examine the essence of the natural world and to develop a vision of world history and the progressive consciousness of man In this masterful introduction to German Idealism Rudiger Bubner brings together key texts and lesser known extracts from the works of these four powerful intellects together with insightful overviews of each philosopher and an account of the movement as a whole For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

The German Idealists Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The German Idealists free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The German Idealists free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The German Idealists free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify

the authenticity of the source before downloading The German Idealists. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The German Idealists any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The German Idealists Books

1. Where can I buy The German Idealists books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The German Idealists book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The German Idealists books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The German Idealists audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read The German Idealists books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
