The Gifted And Talented

Gary A. Davis, Sylvia B. Rimm

The Gifted And Talented:

Education of the Gifted and Talented Gary A. Davis, Sylvia B. Rimm, Del Siegle, 2011 This top selling comprehensive book written by leaders in the field presents a thorough review of the entire field of gifted education with best practices. After a brief overview of current issues in the field the book discusses crucial topics in the field including the characteristics of gifted students, strategies for identification, considerations in planning sound gifted and talented programs, contemporary program models, varieties of acceleration, differentiated curriculum models, problems of underachievement of disadvantaged, twice exceptional and female gifted students, and the evaluation of gifted programs. The authors also address affective needs, leadership and counseling. A chapter on parenting gifted children includes a section on advocating for gifted education and communication with schools. The sixth edition has been thoroughly revised most notably with the latest research on acceleration, curriculum models, underachievement, culturally and economically disadvantaged students, gender issues and dual exceptionalities. The content is further supported and enhanced by the inclusion of numerous practical strategies that can be implemented in the classroom, case studies that help teachers identify student needs, summaries of research on effective programs, emphasis on pedagogy and on social emotional needs, heightened awareness of less visible sub groups within gifted populations and an amusing witty writing style that adds to the appeal of this best selling book.

Identification of Students for Gifted and Talented Programs Joseph S. Renzulli, Sally M. Reis, Series Editor, 2004-03-06 The expert guide to the major challenges and promising developments in the identification of gifted and talented students. Focusing on one of the most widely discussed and debated topics in the field, *Identification of Students for Gifted and Talented Programs* presents a cross section of the most noteworthy theories and practices. The leading experts in giftedness and talent identification have to offer. Key features include: An in depth review of the literature and commentary from Joseph S. Renzulli, Director of the National Research Center on the Gifted and Talented. Fourteen seminal articles from highly respected educators and researchers in the field of gifted education. Numerous research based identification policy and procedure recommendations including the use of both test and non test criteria. Presented in a straightforward no nonsense fashion, the key research ideas and concepts in this ready reference lend both wisdom and clarity to the pressing issues surrounding gifted and talented student identification, leading to enlightened policies and more effective practices. The ERGE Series, The National Association for Gifted Children series, *Essential Readings in Gifted Education* is a 12 volume collection of seminal articles from *Gifted Child Quarterly*. Put the knowledge and power of more than 25 years of research on giftedness and talent into your hands with the leading theories, studies and findings the experts in the field have to offer.

Achieving Excellence Frances A. Karnes, Kristen R. Stephens, 2008 *Achieving Excellence Educating The Gifted and Talented* provides foundational information relating to the field of gifted education i.e. history, laws, etc. Details characteristics of gifted students from various populations, describes how such students are identified and assessed, and presents up to date

research based pedagogy relating to curriculum design and instruction It draws upon experts in the field to present content in a practical way so that it is applicable to pre service and classroom teachers Chapter summaries and questions for thought and reflection are included at the end of each chapter to help guide classroom discussion In addition each chapter provides a listing of useful resources that enables the reader to extend their learning on a particular topic or issue *Including the Gifted and Talented* Chris Smith,2006 Publisher description
