

# The Golden Circle

## "What?"

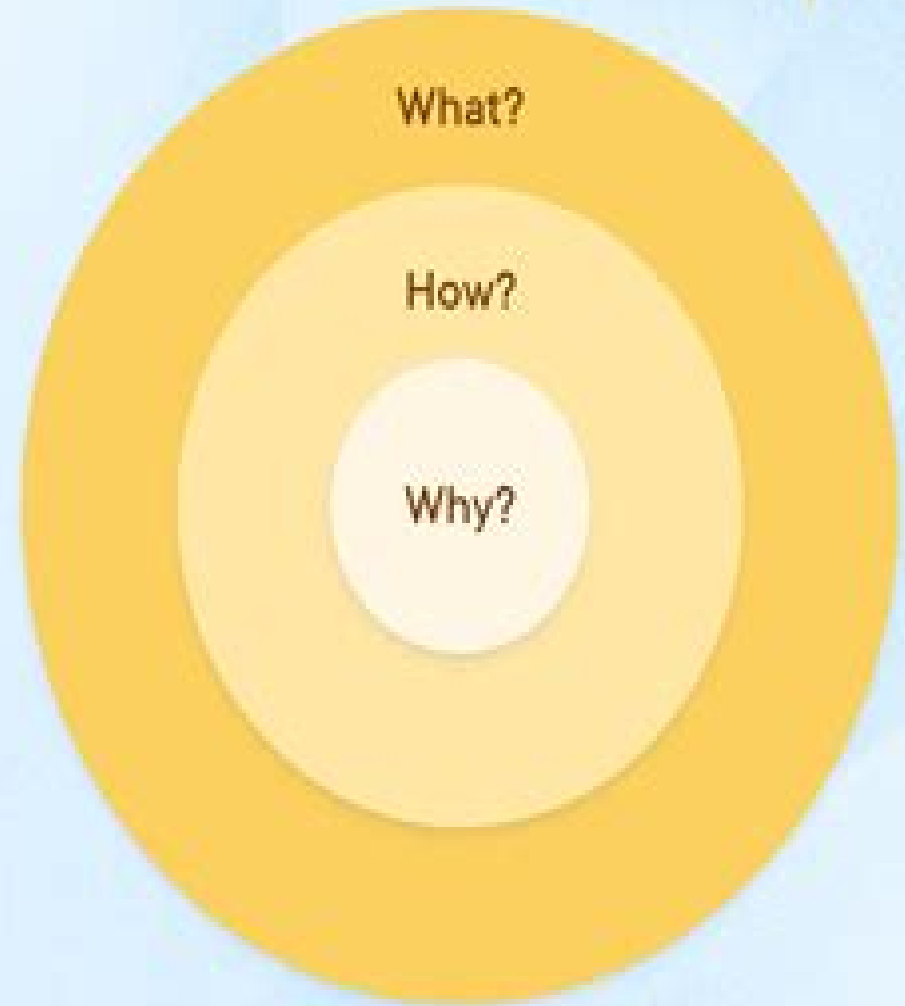

is in the outer circle and relates to every person in a business knowing exactly what they do, 100% of the time.

## "How?"

is in the middle circle, with only some people within an organisation knowing how they do it, and what sets their organisation apart from others.

## "Why?"

is the core of the golden circle - the core of a business as such - where very few people in that company know why they do what they do.

**Dark Lanterns** Frank L. Klement, 1989-08-01 During the agonizing days of the Civil War four secret political societies often known as dark lantern societies became household words throughout the North Three of these groups the Knights of the Golden Circle the Order of American Knights and the Sons of Liberty supposedly were umbrellas for antiwar Democrats and were reportedly involved in treasonable activities The Union League on the other hand was a patriotic political organization intent upon buttressing northern morale and giving support to the war program of the Lincoln administration The accusations and counter accusations that passed between these opposing forces helped

spread fantastic rumors about their power and influence Treason trials held in Cincinnati and Indianapolis based convictions on hearsay while the leaders of the Order of American Knights and the Knights of the Golden Circle spent much of the war in prison without benefit of trial Today reputable reference sources still matter of factly credit these societies with large memberships and evil motives In *Dark Lanterns* Frank L Klement refutes past historical theories and shows quite clearly that these societies were never much more than paper based organizations with vague goals and little ability to carry them out Recounting the actual histories of these organizations he shows how they were sensationalized even fictionalized in both Republican and Democratic newspaper and magazine exposés He also probes the trials arising from the supposed conspiracy to establish a separate confederacy in the Midwest and the so called Camp Douglas conspiracy which was intended to release the Confederate prisoners housed there Despite the furor they generated Klement concludes that these dark lantern societies were essentially engaged in nothing more than a war of words and that their alleged power was greatly exaggerated by political propaganda Meticulously researched and lucidly argued *Dark Lanterns* explores a controversial and puzzling aspect of the Civil war It will be hard to dispute Klements finding that generations of historians have swallowed whole a tale that was largely the product of myth and legend     The golden circle ,1965\*     *The United States Secret Service in the Late War* La Fayette Curry Baker,1889     **The Golden Circle** Ferne Kadish,1986     *History for Ready Reference from the Best Historians, Biographers and Specialists* Josephus Nelson Larned,1895     *The Golden Circle Readers* Golden Circle Readers,1956     *Moody's Manual of Railroads and Corporation Securities* ,1910     A Short History of the War of Secession, 1861-1865 Rossiter Johnson,1888     **Our Country** Benson John Lossing,1895     **The Golden Circle; A Mystery Story for Girls** Roy J.
