The Persuaders:

The Persuaders S. John, 2002-05-22 The impact of political lobbyists remains highly controversial No one has explored when they matter This book tells readers when lobbyists count and analyses the relationship between lobbying policy outcomes and the impact of external factors to reveal the professional lobbyist s limited effect on policy On most policy issues lobbyists simply do not matter But on rare occasions lobbyists can make a difference and this book explains when they matter and why

The Persuaders James Garvey, 2016-02-04 A work of engaging pop philosophy and accessible social science and a boisterous dissection of the forces jellifying our minds Sunday Times Includes brand new material covering the US election and Brexit Every day many people will try to change your mind but they won t reason with you Instead you ll be nudged anchored incentivised and manipulated in barely noticeable ways It s a profound shift in the way we interact with one another Philosopher James Garvey explores the hidden story of persuasion and the men and women in the business of changing our minds From the covert PR used to start the first Gulf War to the neuromarketing of products to appeal to our unconscious minds he reveals the dark arts practised by professional persuaders How did we end up with a world where beliefs are mass produced by lobbyists and PR firms Could Google or Facebook swing elections Are new kinds of persuasion making us less likely to live happy decent lives in an open peaceful world Is it too late or can we learn to listen to reason again *The Persuaders* is a call to think again about how we think now

The Persuaders Anand Giridharadas, 2022-10-18 NEW YORK TIMES BESTSELLER An insider account of activists politicians educators and everyday citizens working to change minds bridge divisions and fight for democracy from disinformation fighters to a leader of Black Lives Matter to Bernie Sanders and Alexandria Ocasio Cortez and more by the best selling author of *Winners Take All* and award winning former New York Times columnist Anand Giridharadas shows the way we get real progressive change in America by refusing to write others off building more welcoming movements and rededicating ourselves to the work of changing minds Robert B Reich best selling author of *The System* The lifeblood of any free society is persuasion changing other people s minds in order to change things But America is suffering a crisis of faith in persuasion that is putting its democracy and the planet itself at risk Americans increasingly write one another off instead of seeking to win one another over Debates are framed in moralistic terms with enemies battling the righteous Movements for justice build barriers to entry instead of on ramps Political parties focus on mobilizing the faithful rather than wooing the skeptical And leaders who seek to forge coalitions are labeled sellouts In *The Persuaders* Anand Giridharadas takes us inside these movements and battles seeking out the dissenters who continue to champion persuasion in an age of polarization We meet a leader of Black Lives Matter a trailblazer in the feminist resistance to Trumpism white parents at a seminar on raising adopted children of color Bernie Sanders and Alexandria Ocasio Cortez a team of door knockers with an uncanny formula for changing minds on immigration an ex cult member turned QAnon deprogrammer and hovering menacingly offstage Russian operatives clandestinely stoking

Americans fatalism about one another As the book s subjects grapple with how to call out threats and injustices while calling in those who don t agree with them but just might one day they point a way to healing and changing a fracturing country
