A Modern Comparative Approach to Alchemy from the Psychological and Magical Points of View Israel Regardie, 1938 The Alchemy of Freedom A. H. Almaas, 2017-03-28 Well known spiritual teacher A H Almaas uses the metaphor of the mysterious philosopher s stone to discuss a tremendous liberating power that leads to endless enlightenment For millennia alchemists sought the philosophers stone the miracle substance believed to be the key to all the secrets of existence The quest was fueled by some of the prime questions of human existence What am I Why am I here How has this world come to be A H Almaas shows that the tremendous liberating power of the mysterious philosophers stone is closer to us than we realize In fact it is the true nature of all reality in all times and all places without being limited to being anything in particular Through the philosophers stone real transformation can happen our consciousness can become free and we can open to all the possibilities of reality Almaas discusses the factors that are involved in igniting the catalytic property of the philosophers stone and then begins to unpack the properties of true nature when it is free of constraints Finally we are left with the revelation that true nature is endlessly knowable and yet nothing we can know or say about it exhausts its mystery and power The result is a new understanding of what liberation and practice are and a view of what it s like when seeking ceases and life becomes a process of continual discovery We begin to appreciate that the freedom of reality expressed in the complete and fulfilled life all human beings seek and few find is actually the simplicity of the ordinary **The Philosopher's Stone**, 1991 **Five Treatises of the Philosophers Stone** Henry Pinnell, John Sawtre, Florianus Raudorff, William Gratacolle, King Alphonso of Portugal, 2011-08-11 *Five Treatises of the Philosophers Stone* Two of Alphonso King of Portugal as it was Written With his own Hand and Taken out of his Closet Translated out of the Portuguese Into English One of John Sawtre a Monk Translated Into English Another Written by Florianus Raudorff a German Philosopher and Translated out of the Same
