**The Pitfall Crew** Bennie Rathbone, 2005-10-01 The set was going in and out of focus and he had his mind on something else Now he was the one off in a trance watching the fuzzy images on the television set His thoughts changed quickly The song echoed inside his head and grew quiet Then the magazine smacked him in the chest he blinked and looked down at it Andy smiling had tossed it at him a You can't be wasted already What a up a For Henry life in a small Midwestern town had a lot of nothing to offer plenty of boredom and free time a steady job at a small business going nowhere and a low crime rate He got out his frustration by writing issues of hisazine Small Scale War and sticking copies under the windshield wipers of cars at the mall His brother Simon and friend Andy were always around with plenty of alcohol to pass the time But one day he receives a rude awakening about the horrible things going on behind closed doors and nothing is quite the same for him anymore When a big business moves in and threatens to put him out of work he takes the step into activism Knife in hand he decides it's time to stop writing about things and start working to change them for good
