The Poisoned Chalice Andrew William Hammond,1897 The Poisoned Chalice. A Novel ... New Edition W. Pryce MAUNSELL,1888 **The Poisoned Chalice** Mark Thornton,2014-03-17 A Tunnels Trolls solo adventure Yes and no start with a group of 6 adventures and reduce gradually to one character attempting to solve the mysterious murders in Castle Lostreld before the ruling family is thrown down and anarchy prevails This game book has 1 155 entries 153 illustrations and 132 000 words There is quite probably something here you will like The Poisoned Chalice Drac Von Stoller,2024-08-09 Dan Myers was no ordinary yard sale enthusiast While others rummaged through piles of dusty trinkets and worn clothing Dan hunted for something more He sought the hidden gems the antiques disguised as clutter His approach was unconventional Instead of bargaining over price tags he d engage homeowners in conversation asking if they had any old items they might be willing to part with This strategy had yielded remarkable results over the years But Dan s obsession with antiques masked a deeper darker hunger Each acquisition filled a void within him a momentary respite from the gnawing emptiness that threatened to consume him Little did he know that his insatiable appetite for the arcane would lead him down a path of unspeakable horror One crisp autumn morning as the air hung heavy with the scent of decaying leaves Dan pulled up to a quaint farmhouse The yard was a treasure trove of the usual yard sale fare but Dan s eyes were drawn to an elderly woman sitting on her porch her gaze fixed on a point beyond the horizon There was an aura of otherworldly calm about her that intrigued Dan but also sent a shiver down his spine Her eyes clouded with cataracts seemed to pierce through him as if reading the very essence of his soul He approached her with his customary charm suppressing the unease that threatened to overtake him Good morning ma am he began his voice wavering slightly Lovely day for a yard sale The woman turned to him her eyes holding an ancient wisdom that seemed to transcend time itself You have a keen eye young man she replied her voice a soft whisper that carried on the wind like a curse But be warned not all that glitters is gold Some treasures are best left buried Dan forced a smile trying to ignore the way his skin crawled at her words I like to think so I m always on the lookout for something special Perhaps you ll find it here she said cryptically gesturing towards the house with a gnarled trembling hand But remember every object has a history and some histories are stained with blood Intrigued and unnerved in equal measure Dan followed her into the dim interior The house was filled with the accumulated clutter of a lifetime but amidst the chaos he spotted it a small ornate chalice resting on a dusty shelf Its intricate goldwork depicted scenes of ancient rituals and sacrifices while the deep crimson jewel set in its base seemed to pulse with an unholy light This was no ordinary

piece it radiated an aura of malevolence that both repelled and attracted him That Dan breathed pointing at the chalice his voice barely above a whisper that s extraordinary The old woman nodded a sardonic smile playing at the corners of her mouth It s older than this house she said her voice filled with a strange reverence tinged with fear It s been in my family for generations passed down through a lineage steeped in dark arts and forbidden knowledge A surge of excitement coursed through Dan mingled with a primal fear he couldn t quite place This was it The holy grail of his collection the piece that would fill the void within him once and for all He negotiated a price his hands trembling slightly as he handed over the cash trying to ignore the old woman s warning gaze As he turned to leave he heard a low almost mirthless chuckle from the old woman He glanced back at her but she was simply staring at the empty space where the chalice had been muttering under her breath in a language he didn t recognize The words seemed to hang in the air charged with an otherworldly power that made his skin crawl He shrugged it off as eccentricity and left clutching the chalice to his chest like a precious child But as he drove away he couldn t shake the feeling that he was being watched that something ancient and malevolent had turned its gaze upon him Back home Dan carefully placed the chalice in his kitchen cabinet his fingers lingering on its cool surface That night his dreams were plagued by visions of ancient rituals blood soaked altars and the screams of countless victims echoing through the ages He awoke the next morning drenched in sweat his heart pounding in his chest As he stumbled into the kitchen to prepare breakfast he was stunned to find the chalice sitting on his kitchen table filled to the brim with a deep red liquid that looked disturbingly like blood
