The Poker Pack:

The Poker Pack Peter Arnold, 2017-02-07 With two packs of cards 150 press out chips and a guide to the game The Poker Pack guarantees hours of gambling action The authoritative book includes instructions for Five and Seven Card Stud Draw Poker Lowball and Texas Hold Em each variation is illustrated with explanations of demonstration hands and winning strategies Plus there s betting and money management advice and a glossary

The Poker Bride Christopher Corbett, 2011-02-08 This true story of a concubine and the Gold Rush years delves deep into the soul of the real old west Erik Larson Once the discovery of gold at Sutter s Mill launched our national madness the population of California exploded Tens of thousands of Chinese lured by tales of a golden mountain took passage across the Pacific Among this massive influx were many young concubines who were expected to serve in the brothels sprouting up near the goldfields One of them adopted the name of Polly Bemis after an Idaho saloonkeeper Charlie Bemis won her in a poker game and married her For decades the couple lived on an isolated self sufficient farm near the Salmon River in central Idaho After her husband s death Polly came down to a nearby town and gradually spoke of her experiences Journalist Christopher Corbett movingly recounts Polly s story integrating Polly s personal history into the broader picture of the history of the mass immigration of Chinese As both a personal and social history this is an admirable book Booklist A gorgeously written and brilliantly researched saga of America during the mad flush of its biggest Gold Rush Christopher Corbett s genius is to anchor his larger story of Chinese immigration around a poor concubine named Polly A tremendous achievement Douglas Brinkley Uses Bemis s story as a platform for a larger discussion about the hardships of the Chinese experience in the American West The Washington Post

The Poker Code Davies Guttman, 2014-06-18 Poker is serious and big business these days Just take a look at the number of gaming and gambling sites offering variants on the game and the amount of media coverage and airtime it gets It seems to be a game where you can get rich quick but you can easily lose a considerable amount of money in a short time also especially if you are not experienced and don t really understand what you are doing This compilation takes a look at the history of poker and the different variations of the game that can be played for money or pleasure It also features more serious analysis of strategies in playing and betting on poker including the mathematical and psychological aspects of a game that is highly susceptible to both of these approaches If you are considering taking up poker as a hobby or as gambling this is as good a starting point as any to get you up to speed on the sorts of information and knowledge you will need to participate with even a modicum of success
