# The General Strike 1926

**R. I. Hills**

## **The General Strike 1926:**

**The General Strike of 1926** Keith Laybourn,1993 Examines the reasons for the General Strike and its significance for British society focusing on events such as Black Friday and on the constitutional issues raised The book argues that the strike was inevitable but asserts that it was not the disaster that it is often presented as being The General Strike, 1926 ,1926

The General Strike 1926 J. W. Leonard,1971    **The General Strike 1926** David Brandon,2023-06-30 The General Strike was one of the most significant events in twentieth century Britain The miners were locked out and the mass of rank and file trade unionists then came out on strike in their support With their families and some middle class sympathizers the miners and the labor and trade union movement found itself pitched against the political establishment the apparatus of the state the powerful mineowners backed by the Conservative Government and most of the media of the time in what was the sharpest form of class conflict short of political revolution It had always said that the British didn t do general strikes In 1926 they certainly did 2026 will mark the one hundredth anniversary of the General Strike and under the very different economic social and political conditions of post industrial post Brexit Britain it is worth revisiting and examining the complicated coming together of factors which were eventually to lead to those extraordinary days in May 1926 when the fate of the nation lay in the balance The author examines the economic social and political processes taking places from the mid nineteenth century and argues that this major confrontation between labor and capital was probably inevitable He examines particularly the symbiotic relationship between the coal miners and the railway workers and the troubled industrial relations in those industries His informed and lucid account should interest students of modern British history labor history and the fortunes of the railways in this period    **The General Strike 1926** ,1971\*    **The General Strike 1926** ,1971    The General

Strike 1926 Richard John Coates,1983-01-01    **Nine Days in May** Jonathan Schneer,2025-12-25 The General Strike of 1926 the tragic story of how the world s best organized working class confronted the world s most powerful and self confident government In May 1926 nearly three million British workers downed tools to support nearly one million of their countrymen miners whose employers meant to lengthen their working day and cut their pay This General Strike brought the country to a grinding halt which according to Conservative Prime Minister Stanley Baldwin represented a threat not merely to the nation but to the parliamentary system itself For nine days the world s best organized working class confronted the world s most powerful and self confident government And yet the outcome was never in doubt for Britain s most important trade union leaders thought as Baldwin did although they kept saying they were engaged in a wages dispute only Really they feared winning even more than they feared losing In Nine Days in May award winning author and historian Jonathan Schneer mines hitherto untapped archival sources to explain why and how the Strike came about why and how it was waged and countered why and how it ended In addition to government reports and TUC reports he uses reports of undercover agents and spies special constables sworn in for the duration of the Strike volunteer strike breakers Communist agitators trade

union leaders and rank and file members of trade unions also of course the papers of politicians of all parties This is a tale of Shakespearian dimensions replete with tragic heroes and villains and buffoons and opportunists and double dealers and contending evenly matched forces both of which meant to do their duty whatever the cost There may never be another general strike in Britain but the General Strike of 1926 was one for the ages illuminating the human condition *The General Strike of 1926* R. A. Florey, **The General Strike** Margaret Morris,1980 *The General Strike in York, 1926* R. I. Hills,1980 Marxism and Trade Union Struggle Tony Cliff,Donny Gluckstein,1986 Marxism and the Trade Union Struggle The General Strike of 1926 *The General Strike, 1926* J. W. Leonard,1971 **The General Strike, May 1926** Robert Page Arnot,1975 **The General Strike** Christopher Farman,1974 *The General Strike, 1926* ,1926

**General Strike 1926** Lev Davidovič Trockij,1971 *A Bibliography of British Industrial Relations 1971-1979* George Sayers Bain,J. D. Bennett,1985-12-05 The bibliography contains references to literature on British industrial relations published in the years 1971 to 1979 inclusive It includes books periodical articles theses government publications pamphlets and any other relevant publications As well as general material on industrial relations the bibliography includes material on employee attitudes and behaviour employee organisation employers and their organisation collective bargaining industrial conflict industrial democracy the labour market training employment unemployment labour mobility pay conditions and the role of the state in industrial relations It is cross referenced and has an author index It is a supplement to the volume compiled by George Bain and Gillian Woolven published by the Press in 1979 and for the years since 1980 is itself updated by annual articles in the British Journal of Industrial Relations The material is arranged by subject and chronologically within that framework **General Strike May 1926** Emile Burns,1926 **General Strike 1926** Lev Davidovič Trockij,1971

This book delves into The General Strike 1926. The General Strike 1926 is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The General Strike 1926, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to The General Strike 1926
- Chapter 2: Essential Elements of The General Strike 1926
- Chapter 3: The General Strike 1926 in Everyday Life
- Chapter 4: The General Strike 1926 in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of The General Strike 1926. The first chapter will explore what The General Strike 1926 is, why The General Strike 1926 is vital, and how to effectively learn about The General Strike 1926.
3. In chapter 2, the author will delve into the foundational concepts of The General Strike 1926. The second chapter will elucidate the essential principles that need to be understood to grasp The General Strike 1926 in its entirety.
4. In chapter 3, this book will examine the practical applications of The General Strike 1926 in daily life. This chapter will showcase real-world examples of how The General Strike 1926 can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of The General Strike 1926 in specific contexts. This chapter will explore how The General Strike 1926 is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about The General Strike 1926. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of The General Strike 1926.
