The German Euthanasia Program:

The Euthanasia/Assisted-Suicide Debate Demetra M. Pappas,2012-09-20 This revealing volume explores recent historical perspectives on the modern euthanasia and assisted suicide debate and the political arenas in which it has unfolded Emotional public responses to widely publicized right to die and euthanasia cases such as those revolving around Dr Jack Kevorkian and Terri Schiavo highlight their volatile mix of medical ethical religious legal and public policy issues The Euthanasia Assisted Suicide Debate explores how this debate has evolved over the past 100 years as judicial approaches legislative responses and prosecutorial practices have shifted as a result of changes in medical technology and consumer sophistication Emphasizing the period from the 1950s forward the book offers an unbiased examination of the origins of the modern medical euthanasia and assisted suicide debates the involvement of physicians the history and significance of medical technology and practice and the role of patients and their families in the ongoing controversy This illuminating exploration of concepts issues and players will help readers understand both sides of the debate as viewed by participants

The Holocaust David M. Crowe,2021-12-30 Now in its second edition this book takes a fresh probing look at one of the greatest human tragedies in modern history Beginning with a detailed overview of the history of the Jews and their two millennia old struggle with the anti Judaic and anti Semitic prejudice and discrimination that set the stage for the Holocaust David M Crowe discusses the evolution of Nazi racial policies beginning with the development of Adolf Hitler s anti Semitic ideas their importance to the Nazi movement in the 1920s and 1930s and their expanding role in the evolution of German policies leading to the Final Solution in 1941 the mass murder of Jews throughout Nazi occupied Europe The German program involved the creation of death camps like Auschwitz and Treblinka and mass murder sites throughout Eastern Europe and the Soviet Union While the Jews were the principal victims other groups who were deemed racial or biological threats to Hitler s goal of creating an Aryan pure Europe were also targeted including the Roma and the handicapped This book discusses Nazi policies in each country in German occupied Europe as well as the role of Europe s neutrals in the larger German scheme of things It also takes an in depth look at liberation Displaced Persons the founding of Israel and efforts throughout the western world to bring Nazi war criminals and their collaborators to justice This second edition includes a new chapter on the importance of memory and the Holocaust the evolution of interpretative Holocaust scholarship and media recent controversies about national responsibility and the work of Holocaust museums archives and libraries in Israel Germany Poland and the United States to promote Holocaust education and memory It concludes with the rise of Neo Nazism white nationalism and other movements in Germany and the United States and their relationship to questions about Holocaust memory and its lessons Comprehensive and offering a detailed historical perspective this is the perfect resource for those looking to gain a deep understanding of this tragedy

Nurses and Midwives in Nazi Germany Susan Benedict,Linda Shields,2014-04-24 This book is about the ethics of nursing and midwifery and how these were abrogated

during the Nazi era Nurses and midwives actively killed their patients many of whom were disabled children and infants and patients with mental and other illnesses or intellectual disabilities The book gives the facts as well as theoretical perspectives as a lens through which these crimes can be viewed It also provides a way to teach this history to nursing and midwifery students and for the first time explains the role of one of the world s most historically prominent midwifery leaders in the Nazi crimes

Lilies That Fester John Bossert Brown Jr.,2022-12-20 The twentieth century promised much in terms of progress Europe was at peace and America was poised to become a world superpower Certain religious leaders envisioned new programs to help the poor while others pondered plans to evangelize the world Protestants in America were divided over issues such as biblical authority and social programs but there was a surface unity and a widespread agreement shared with Catholic and Orthodox Christians about the sanctity of human life an ethic rooted in the Bible and church history Seventy nations responding to medical advances in obstetrics fetology and a growing concern for women s health had moved to prohibit abortion Today 120 years later there is a deep division among Christians and in American society about abortion and much else The causes are no doubt complex but several things are clear Worldwide there have been over one billion unborn children destroyed by abortion There have been sixty four million unborn children destroyed by abortion in the United States over half of them to women who identify as Christians In a century of massive violence due to war planned famines mass executions and terror abortion reigns supreme That the Judeo Christian ethic of the sanctity of life has been shredded owes much to the scandal of Christian discipleship

The German Euthanasia Program Fredric Wertham,1992 Charles Edward of Saxe-Coburg Alan R. Rushton,2018-10-09 Charles Edward was ruler of the German Duchy of Saxe Coburg and Gotha president of the German Red Cross and the grandson of Queen Victoria He was closely allied with the rise of Adolf Hitler and the implementation of eugenic policies designed to improve German racial health When war began in 1939 Hitler ordered a secret program of murder by poison gas and starvation to eliminate the mentally and physically handicapped ballast people approximately 250 000 people were eventually killed Readers in medicine law sociology and history will be interested in this tragic story of a weak willed but powerful Nazi leader who facilitated this murderous program even though one of his own relatives died in the euthanasia scheme Although Charles Edward traveled to neutral countries during the war he did nothing to broadcast the inhumane treatment of his own and thousands of other families whose relatives disappeared into the murder machine

Schizophrenia and Genetics Jay Joseph,2022-12-09 Schizophrenia is a widely investigated psychiatric condition and though there have been claims of gene associations decades of molecular genetic studies have failed to produce confirmed causative genes In this book Joseph focuses on the methodological shortcomings of schizophrenia genetic research His findings have major implications not only on how we understand the causes of schizophrenia and other psychiatric conditions but also on how we understand the causes of human behavior in general Chapters explore the differing theoretical concepts of schizophrenia molecular genetic research around schizophrenia family twin and adoption studies and

Moffatt,2008-07-30 History's most notorious and brutal killers still enjoy fame as public fascination with their lives and their crimes continues to grow Stone Cold Souls is a detailed examination of the most brutal killers in history Moffatt does what he does best by looking at historical accounts of events analyzing them from a psychological perspective and presenting his assessment in captivating fashion He examines different types of killers offers case studies and historical context and describes what sets these cases

apart from other kinds of killings Even in a day and age where pop culture has made serial crime a mainstay of movies and books the depravity of the killers profiled in this work will still shock even a desensitized reader Men women and children alike have committed crimes so atrocious that it is hard to imagine that these events are not works of fiction Moffatt examines the difficult questions that inevitably arise when one reads cases of unthinkable torture and cruelty Why Were these people simply evil or is it possible that given other circumstances they could have redirected their energies into more productive outlets The author answers these questions and others and reveals the lives and crimes of these ruthless killers Stone Cold Souls features such well known cases as Andrei Chikatilo Marc Dutroux Herman Webster Mudgett Charles Ng Leonard Lake Lawrence Bittaker Roy Norris Ed Gein Edmund Kemper Henry Lee Lucas Gilles de Rais Ivan the Terrible Richard Ramirez Holly Ann Harvey Sandy Ketchum Mary Bell Jesse Pomeroy Josef Mengele Marshall Applewhite Jeffrey Lundgren David Koresh Jim Jones Father Oliver O Grady Charles Cullin Harold Shipman Michael Swango Myra Hindley Karla Homolka Aileen Carol Lee Wuornos Elizabeth Bathory Charles Sobhraj Albert Fish Donald Harvey and Dennis Rader
