The Globalization of Security B.

Mabee, 2009-05-21 The Globalization of Security is an important rethinking of the connections between globalization and security focusing on a conceptual examination of the role of the state combined with key case studies The book provides a novel historical sociological approach advancing both the understanding of security and the theory of state power

Interpreting Contemporary Christianity Ogbu Kalu, Elaine Low, 2008-08-05 In this multidisciplinary interpretation of world Christianity and the changing shape of the global religious landscape scholars consider the complex dynamics shaping Christianity's recent expansion in all parts of the globe They view the explanations of homogenization or American cultural influence as being necessarily limited and point to the far more varied intersections of external influence and indigenous appropriation The geographical coverage and the voices from various corners of the globe exemplify the shift of Christianity's center of gravity away from the northern hemisphere New voices new methods and new perspectives emerge here
