God's Events, Now and Forever Miss Nan, Nan Thompson, 2009-05 Are we living in the end times The condition of the world today would seem to suggest that we indeed may be As a result this book is quite timely It presents God's events in an easy to understand manner The beginning prophecy student as well as the advanced student can study this book and have a better understanding of God's events now and forever and a better understanding of how our Lord Jesus fits into the picture MISS NAN spent many years in the educational field She started as an English teacher moved into administration and served as president of a private junior college in Jackson Mississippi for twenty years a position from which she retired in 1995 It was in Jackson that she found her true calling teaching the Word of God in a local church Colonial Heights Baptist Church Soon after becoming a member she began to teach Sunday School first to older women and currently to younger women during a span of over thirty years Throughout the years she has taught men and women of all ages in other Bible studies particularly studies concerning end times Soon after she began to teach prophecy she came to understand that no one book tells the whole story God's events now and forever are presented from Genesis through The Revelation of the Lord Jesus Christ She has pieced together God's plan by consulting the whole Bible Some people may not hold all the views Miss Nan has presented but it is important to understand that she wrote what God laid on her heart as she studied His Word
