The Goldman Papers

Emma Goldman

The Goldman Papers:

The Goldman Papers Mark A. Goldman, 1988-06-01 [The Emma Goldman Papers](#) Emma Goldman, 1990 [Emma Goldman Papers](#) Labadie Collection (Harlan Hatcher Graduate Library), Emma Goldman, 1973 [The Emma Goldman Papers](#) Emma Goldman, 1990 [Reader's Guide to Women's Studies](#) Eleanor Amico, 1998-03-20 The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies. Some 200 scholars have contributed to the project which adopts a multi-layered approach allowing for comprehensive treatment of its subject matter. Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors. [Emma Goldman Papers Project](#), Presents information about the Emma Goldman Papers Project based at the University of California at Berkeley. Explains that the Project has collected, organized, and edited worldwide documents by and about Goldman, an American anarchist who lived from 1869 to 1940. Notes that Goldman was an advocate of free speech, birth control, women's equality, union organization, and the eight-hour work period. Includes information about publications and the Project's traveling exhibition of 38 reproductions of historical photographs, personal letters, government documents, and other memorabilia. Offers access to photographs and documents. *Editing Historical Documents* Michael E. Stevens, Steven B. Burg, 1997-10-15 This volume is aimed both at more experienced editors who may wish to skip over the advice offered in the introduction as well as at those who are new to the craft and want to know how to begin work on publishing historical documents of interest to them. **Emma Goldman's No-Conscription League and the First Amendment** Erika Pribanic-Smith, Jared Schroeder, 2018-12-07 Emma Goldman's Supreme Court appeal occurred during a transitional point for First Amendment law as justices began incorporating arguments related to free expression into decisions on espionage and sedition cases. This project analyzes the communications that led to her arrest, writings in *Mother Earth*, a mass mailed manifesto, and speeches related to compulsory military service during World War I as well as the ensuing legal proceedings and media coverage. The authors place Goldman's Supreme Court appeal in the context of the more famous Schenck and Abrams trials to demonstrate her place in First Amendment history while providing insight into wartime censorship and the attitude of the mainstream press toward radical speech.
