The Pledge

Frederick Charles Brightly

The Pledge:

The Pledge Jeffrey Jones, Peter Meyer, 2010-10-12 The cultural and political history of the Pledge of Allegiance how it came to be what it means to Americans and why we have battled over it for generations For more than a century reciting the Pledge of Allegiance has been a central part of the American Experience And perhaps because of its ubiquity this simple flag salute has served not only as a unifying ritual but also as a lightning rod for bitter controversy Congress's 1954 decision to add under God to the Pledge has made it the focus of three U S Supreme Court cases and at least one other landmark appellate decision The debate continues today but along with it exists a widely held admiration and support for this simple affirmation of our shared patriotism As Jeffrey Owen Jones and Peter Meyer show in their illuminating history this brief salute to the flag has had an almost magical power to galvanize people's deepest feelings and beliefs about who we are and ought to be as a nation In that sense the story of the Pledge of Allegiance is the story of America and the American people

The Pledge of Allegiance Terry Allan Hicks, 2007 An exploration of the origins and often controversial history of the Pledge of Allegiance Provided by publisher **The Pledge of Allegiance** Heather Fata, 2003-12-15 Introduces the Pledge of Allegiance the man who wrote it how it has changed since it was written and why some people object to some of its words

Taking on the Pledge of Allegiance Ronald Bishop, 2012-02-01 Taking on the Pledge of Allegiance explores the landmark lawsuit filed by avowed atheist Michael Newdow against the Elk Grove Unified School District in California in which he claimed the words under God in the Pledge of Allegiance amounted to an unconstitutional endorsement of religion Newdow's original suit was ignored by the public and the news media until June 26 2002 when the Ninth Circuit Court of Appeals ruled that the Pledge of Allegiance was unconstitutional This decision touched off a firestorm of negative reaction both from politicians and from the public The U S Supreme Court eventually overturned the ruling on Flag Day 2004 This book contains interviews with many of the parties involved including Newdow and journalists who covered the case Ronald Bishop examines how the news media marginalized Newdow after the Ninth Circuit's ruling acting as a guard dog for the government and for the ideas supposedly at the ideological heart of America by framing the decision as an aberration a radical act by a hopelessly liberal federal circuit court Bishop concludes that journalists relegated Newdow to a rhetorical protest zone he was heard but from a safe distance The Wines of Scripture; Or, Total Abstinence the True Temperance,
