## **The Point Of View:**

**Point of View (Routledge Revivals)** Susan L. Ehrlich, 2014-04-08 The purpose of Point of View first published in 1990 is twofold from the perspective of linguistics to analyse the discourse structure of texts from the perspective of literary studies to explain certain non linguistic aspects of the texts in terms of linguistic form This study therefore aims to provide a balanced and sufficiently comprehensive account of the relationship between linguistic form and point of view It will be of particular value to literature students with an interest in linguistics and literary style

**Language, Ideology and Point of View** Paul Simpson, 2003-09-02 This systematic introduction to the concept of point of view in language explores the ways in which point of view intersects with and is shaped by ideology It specifically focuses on the way in which speakers and writers linguistically encode their beliefs interests and biases in a wide range of media The book draws on an extensive array of linguistic theories and frameworks and each chapter includes a self contained introduction to a particular topic in linguistics allowing easy reference The author uses examples from a variety of literary and non literary text types such as narrative fiction advertisements and newspaper reports
