Dillman,Chris Thomas,1993-10-01     [Pressure Point Fighting](#) Rick Clark,2022-03-22 Learn the ancient knowledge of how the body s vital points the centers of the body s natural energy can be exploited to gain an advantage over your opponent in martial combat or self defense In this detailed guide to pressure point fighting martial arts expert Rick Clark describes how to target expertly placed blows which can defeat your opponent quickly and effectively He offers a systematic introduction to this knowledge and to the tools needed to recognize vital points in the kata hyung or forms already in place The lessons explain Where the body s vital points are located and how to strike them for maximum effect How vital points can be targeted most efficiently to successfully defend oneself How targeting vital points can be used in conjunction with traditional martial arts to help meet a variety of threats With 230 photos and 25 detailed charts Pressure Point Fighting teaches that success in this discipline is not dependent upon acceptance of the tenets of traditional Chinese medicine or modern Western medicine for that matter solely on open minded observation and willingness to try different approaches to martial arts training Forewords written by pressure point combat expert Vince Morris and Tai Chi master Jane Hallander explain how this book s lessons are indispensable to anyone seeking to learn the elements of pressure point fighting     **The Secret Art of Pressure**

**Point Fighting** Vince Morris,2008-05-28 An all new modern looking guide to pressure point fighting the martial art and self defense technique that allows anyone regardless of size to quickly immobilize an attacker by striking at the vulnerable spots on the body

**Pressure-point Fighting** Rick Clark,2000-04-15 Supplement your martial arts skills with this expert guide to pressure point fighting Western students of Asian martial arts have long been haunted by the aching suspicion that something is missing from the arts they love and practice wholeheartedly something intangible but something so essential that its absence leaves an unbridgeable void For many that missing ingredient is a true and thorough knowledge of the body's vital points what they are where they are how to quickly find them under duress how to use them constructively or for destruction and how to recognize them in the kata hyung or forms they thought they knew so well In Pressure Point Fighting martial arts expert Rick Clark offers a systematic introduction to this knowledge and to the tools needed to ferret out more of this information from forms and techniques already in place knowledge and tools that are not dependent upon acceptance of the tenets of traditional Chinese medicine or modern Western medicine for that matter but which are based solely on open minded observation and willingness to try new or old approaches to martial arts training

The Secrets of Kyusho Stefan Reinisch,Jürgen Höller,Axel Maluschka,2012-09-01 Every action in Martial Arts and self defense aims at discovering the opponents weak points exploiting them and finally disabling him her without injury or to bring him her under control Although our knowledge about the build up of the human body has multiplied in many books on the subject of Martial Arts an explanation concerning the effect of various striking and pressure techniques has reduced to mentioning merely causes pain paralyzes death Explanations are missing or are left in the realm of the esoteric However it would be appreciated very much if not simply from a standpoint of personal responsibility if the followers of Martial Arts delved more into the possible medical outcome of their actions
