Sport And Religion

Robert J. Higgs, Michael Braswell

Sport And Religion:

Sport and Religion Shirl J. Hoffman, 1992 This text presents the best of the literature available on the relationship between sport and religion The collection includes ground breaking studies as well as recent articles from popular and scholarly publications Sport and Religion is organized into four parts that consider the case for and against sport as religion examine the potential of the sport experience as a path to religious insight analyze the significance of the pervasiveness of religious gestures in sport and explore the impact of religious views on perceptions and behaviors in sport Global Perspectives on Sports and Christianity Afe Adogame, Nick J. Watson, Andrew Parker, 2017-11-27 While the relationship between sport and religion is deeply rooted in history it continues to play a profound role in shaping modern day societies This edited collection provides an inter disciplinary exploration of this relationship from a global perspective making a major contribution to the religious social scientific and theological study of sport It discusses the dialectical interplay between sport and Christianity across diverse cultures extending beyond a Western perspective to include studies from Africa South America and Asia as well as Europe the UK and the US Containing contributions from leading experts within the field it reflects on key topics including race gender spirituality morality interfaith sport clubs and the significance of sport in public rituals of celebration and mourning Its chapters also examine violent sports such as boxing and mixed martial arts as well as reflecting on the cult of sporting celebrity and the theology of disability sport Truly international in scope Global Perspectives on Sports and Christianity is fascinating reading for all those interested in the study of sport sociology and religion **Sport and Christianity** Hugh McLeod, Nils Martinus Justvik, Robert Hess, 2020-06-09 Sport and Christianity examines sport and Christianity from a variety of historical perspectives with the main focus on the period from the nineteenth to the early twenty first centuries The book is not limited to a narrow definition of Christianity but rather encompasses a wide range of denominations related philosophies and viewpoints The contributors are international and the geographical range of their chapters is equally wide extending for example from China to Argentina and from Australia to Poland Some chapters focus on a single sport such as gymnastics soccer or Australian Rules football while others look at modern sports more generally Different methodological and theoretical approaches have been adopted as contributors enter the debates on for example cultural imperialism gender changing Christian attitudes to leisure or the intersection between religion politics and sport Demonstrating the many sided significance of the relationship between Christianity and Sport this book is ideal for scholars of Sport History and Christianity This book was originally published as a special issue of The International Journal of the History of Sport **Sports and Christianity** Nick J. Watson, Andrew Parker, 2012-10-12 This interdisciplinary text examines the sports Christianity interface from Protestant and Catholic perspectives In addition to a systematic review of literature field pioneering contributors such as Michael Novak Shirl Hoffman Joseph Price and Robert Higgs address a wide range of topics from the sporting world including biblical athletic metaphors disability evangelism professionalism and celebrity

humility and pride genetic enhancement technologies stereotypes sport as art and British and American historical analyses of sport and Christianity Insightful chapters from Scott Kretchmar one of the world's leading philosophers of sport and Father Kevin Lixey the head of the Vatican's Church and Sport office 2004 add further depth and breadth to this book making it accessible and interesting to academic and practitioner audiences alike Within the context of this relatively new and rapidly expanding area of inquiry this collection provides a unique and important addition to the current literature for both undergraduate and postgraduate students and serves as a point of reference for scholars of theology and religious studies psychology health studies ethics and sports studies The book may also be of interest to physical educators and sports coaches who wish to adopt a more holistic and ethical approach to their work As modern sport is often intertwined with commercial and political agendas this book offers an important corrective to the win at all costs culture of modern sport which cannot be fully understood through secular ethical inquiry

Sport in the Classroom David L. Vanderwerken, 1990 A collection of essays that focuses on teaching sport related classes in the humanities and social sciences It is designed to aid university faculty in proposing or revising courses and features sample syllabi assignment instructions and examinations in the appendix to each essay

Theology, Ethics and Transcendence in Sports Jim Parry, Mark Nesti, Nick Watson, 2011-04-12 This book provides an inter disciplinary examination of the relationship between sport spirituality and religion It covers a wide range of topics such as prayer and sport religious and spiritual perspectives on athletic identity and flow in sport theological analysis of genetic performance enhancement technologies sectarianism in Scottish football a spiritual understanding of sport psychology consultancy in English premiership soccer and how Zen may be useful in sports performance and participation As modern sport is often intertwined with commercial and political agendas this book also provides an important corrective to the win at all costs culture of modern sport which cannot always be fully understood through secular ethical inquiry This is a unique and important addition to the current literature for a wide range of fields including theology and religious studies psychology health studies ethics and sports studies

Playing with God William J. Baker, 2007-04-15 Like no other nation on earth Americans eagerly blend their religion and sports This book traces this dynamic relationship from the Puritan condemnation of games as sinful in the seventeenth century to the near deification of athletic contests in our own day

With God on Their Side Tara Magdalinski, Timothy John Lindsay Chandler, 2002 The book offers a series of cutting edge contemporary historical case studies broad ranging in their geographical coverage and in their social and religious contexts

A Brief Theology of Sport Lincoln Harvey, 2014-02-28 Sport is extremely popular This ground breaking book explains why It shows that sport has everything to do with our deepest identity It is where we resonate with the most basic nature of reality A Brief Theology of Sport sweeps across the fields of church history philosophy and Christian doctrine drawing the reader into a creative vision of sport The book begins with an examination of how the Church has approached sport in the past before turning to consider sport on the basis of the divine act of creation In doing so Harvey is

able to distinguish sport from all other human activities identifying it as a set aside sphere in which the unnecessary but meaningful nature of life is celebrated This constructive proposal is used to shed light on a wide range of issues in sport including the role of competition professionalization and celebrity culture today As such A Brief Theology of Sport constitutes a significant contribution to our understanding of the value of sport in human life No one who reads this book will look at sport in the same way again

An Unholy Alliance Robert J. Higgs, Michael Braswell, 2004 An Unholy Alliance offers a dissenting view to the claim by a growing number of scholars that Sports are a new religion The last few years have seen a spate of books that might be classified by a genre called Sports Apologetics that is arguments defending or celebrating in one way or another the familiar and ongoing alliance in America between sports and religion Recently claims have been made by scholars that sports are an authentic religion in and of themselves They make this startling assertion not by showing connections with the teachings of Buddha Jesus Mohammed or Moses but by parallels between the rites of modern games and those of preliterate man that were religious in nature because they were designed to propitiate powers and to ward off evil for the tribes employing them In this evocative book Higgs and Braswell suggest that while sports may often be good things they are not inherently divine They do not focus on wide spread abuse in sports as evidence for their counterargument Rather they question the use of mythological parallels from prehistory as justification for viewing sports as a religion

Encyclopedia of Sport Management Pedersen, Paul M., 2021-12-14 Bringing together preeminent international researchers emerging scholars and practitioners Paul M Pedersen presents the comprehensive Encyclopedia of Sport Management offering detailed entries for the critical concepts and topics in the field

The Games People Play Robert Ellis, 2014-11-27 In The Games People Play Robert Ellis constructs a theology around the global cultural phenomenon of modern sport paying particular attention to its British and American manifestations Using historical narrative and social analysis to enter the debate on sport as religion Ellis shows that modern sport may be said to have taken on some of the functions previously vested in organized religion Through biblical and theological reflection he presents a practical theology of sport's appeal and value with special attention to the theological concept of transcendence Throughout he draws on original empirical work with sports participants and spectators The Games People Play addresses issues often considered problematic in theological discussions of sport such as gender race consumerism and the role of the modern media as well as problems associated with excessive competition and performance enhancing substances

Sport, Spirituality, and Religion Tracy J. Trothen, 2019-11-22 The research studies included in this Special Issue highlight the fundamental contribution of the knowledge of environmental history to conscious and efficient environment conservation and management The long term perspective of the dynamics that govern the human climate ecosystem is becoming one of the main focuses of interest in biological and earth system sciences Multidisciplinary bio geo archaeo investigations into the underlying processes of human impact on the landscape are crucial to envisage possible future scenarios of biosphere responses to

global warming and biodiversity losses This Special Issue seeks to engage an interdisciplinary dialog on the dynamic interactions between nature and society focusing on long term environmental data as an essential tool for better informed landscape management decisions to achieve an equilibrium between conservation and sustainable resource exploitation

Sports, Religion and Disability Nick J. Watson, Andrew Parker, 2016-04-14 This ground breaking book provides a fascinating insight into the relationship between sports and leisure religion and disability In the shadow of the London 2012 Olympic and Paralympic Games at which athletes that were both able bodied and disabled provided an extravaganza of sporting excellence and drama this text is a timely and important synthesis of ideas that have emerged in two previously distinct areas of research i disability sport and ii the theology of disability Many of the elite athletes at this global sporting mega event often explicitly displayed their religious beliefs and in turn their importance in the context of sport by observing different religious rituals and or utilising the multi faith sports chaplaincy service This raises a whole range of unanswered questions with regard to the intersections between sports religion and disability which to date has been under researched Examples of subjects addressed in this text include elite physical disability sport Paralympics intellectual disability sport Special Olympics reflections on the illness narrative of the cyclist Lance Armstrong through the lens of the theology of radical orthodoxy the application of biblical athletic metaphors in understanding modern conceptions of disability sport the role of sport and spirituality in the rehabilitation of injured British Military personnel and the importance of sports and leisure in L Arche communities This book begins a critical conversation on these topics and many others for both researchers and practitioners This book was based on two special issues of the Journal of Religion Disability and Health *Training the Body* David Torevell, Clive Palmer, Paul Rowan, 2022-05-12 This is the first book to examine the body in training in the context of religion sport and wider physical culture offering important insight into the performative social cultural and gendered aspects of somatic discipline and exercise The book presents a series of fascinating thematic and case study led chapters from around the world examining topics including the martial discipline and symbolism of artistic gymnastics religious interpretations of body vulnerability in the context of marathons the religious language of corporeal training in sport and martial arts Drawing on multi disciplinary perspectives from sport religion history and philosophy the book explores the often contested and sometimes over zealous application of training in both sport and religion and the ways in which this can cause harm to athletes or adherents This is fascinating reading for any advanced student or researcher with an interest in the body physical cultural studies the ethics and philosophy of sport the sociology of sport religious studies Asian studies or philosophy

Sport, Culture and Society Grant Jarvie, 2017-07-20 What can sport do to produce social change in our world today It is impossible to fully understand contemporary society and culture without acknowledging the importance of sport Sport is part of our social and cultural fabric possessing a commercial power that makes it a potent force in the world for good and for bad It has helped to start wars and promote international reconciliation and governments around the world commit public

resources to sport Sport matters but how should you make sense of what is going on in the world of sport today Now in a fully revised updated and expanded third edition this critical challenging and comprehensive textbook introduces the study of sport culture and society International in scope it challenges us to reactivate an audacious spirit of activism through sport Full of contemporary examples it places sport at the heart of the analysis and introduces the reader to every core topic and emerging area in the study of sport and society including the history and politics of sport sport gender and sexuality sport disability and advocacy sport race and racism sport violence and crime sport and health sport globalisation and democracy sport media and cultural relations sport and the environment sporting cities and mega events sport poverty and development Each chapter includes a wealth of useful features including Sport in Focus case studies chapter summaries guides to further reading revision questions practical projects definitions of key concepts and weblinks Additional teaching and learning resources including a testbank resource list and glossary are available on a companion website Sport Culture and Society is the most broad ranging in depth and thoughtful introduction to the sociocultural analysis of sport currently available and sets a new agenda for the discipline It is essential reading for all students with an interest in sport

Sport and Spirituality R. Scott Kretchmar, John B. White, 2020-05-21 This comprehensive volume explores the interface between sport and religion or more broadly sport and spirituality While most of the contributions come from Western and Christian traditions the volume raises broader questions about the kinds of impact that spirituality can and should have on sport and equally that sport can and should have on spirituality The authors put forth an anti dualistic message one that argues against any vision of sport and religion existing in separate domains Mind interpenetrates body faith and love interpenetrate competition spirituality and the Divine can interpenetrate secular games This positive book has powerful implications for reforming contemporary sport particularly crass extrinsically driven win at all cost versions of competition It is a book about the incarnation the paradoxical existence of the spirit in the flesh love in competition the myth making power and meaning of games to engage the world transcendent hope found in kicking a ball around and how sport as a liturgy can mediate divine presence This book was originally published as a special issue of the journal Sport Ethics and Philosophy

Sport and the Christian Religion Andrew Parker, Nick J. Watson, 2014-04-11 This book provides a systematic and interdisciplinary analysis of the published literature and practical initiatives on the sports Christianity interface from both Protestant and Catholic perspectives Within the context of this relatively new and rapidly expanding area of inquiry this text offers an original contribution to the current literature for both undergraduate and postgraduate students and serves as a point of reference for academics from a wide range of related fields including theology and religious studies psychology history sociology philosophy psychology health religion studies and sports studies The book will also be of interest to sports chaplains those involved in sports ministry organizations physical educators and sports coaches who wish to adopt a more critical and holistic approach to their work As modern day sports are often entwined with commercial and political agendas the book also provides an important response

to the win at all costs and business orientated philosophy which characterises much of contemporary sport practice yet which cannot always be fully understood through secular inquiry *Religion and Sport* Charles S. Prebish,1993 Prebish offers a thoughtful look at sport as a religious experience and argues that sport has become an American religion The first section of the work contains three chapters that provide a definitional theoretical and methodological frame for examining sport as religion The five chapters that follow each written by an authority in the field treat different aspects of the religious dimension of sport These chapters represent the most important writings on sport as a religious experience and each author offers a full and thoughtful discussion rather than a cursory overview A final chapter by Prebish closes the work The first chapter of the book challenges traditional assumptions about religion and encourages the reader to reconsider what religion is The second chapter examines the difficulty of defining sport and the third probes the close relationship between sport and religion The anthology that follows contains chapters that examine religion and sport from sociological historical theological philosophical and psychological perspectives A concluding bibliography lists material for further reading **Understanding Sport as a Religious Phenomenon** Eric Bain-Selbo,D. Gregory Sapp,2016-09-08 Readers are introduced to a range of theoretical and methodological approaches used to understand religion including sociology philosophy psychology and anthropology and how they can be used to understand sport as a religious phenomenon Topics include the formation of powerful communities among fans and the religious experience of the fan myth symbols and rituals and the sacrality of sport and sport and secularization Case studies are taken from around the world and include the Olympics ancient and modern football in the UK the All Blacks and New Zealand national identity college football in the American South and gymnastics Ideal for classroom use Understanding Sport as a Religious Phenomenon illuminates the nature of religion through sports phenomena and is a much needed contribution to the field of religion and popular culture

Decoding **Sport And Religion**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Sport And Religion**," a mesmerizing literary creation penned by a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Sport And Religion Introduction

In today's digital age, the availability of Sport And Religion books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sport And Religion books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sport And Religion books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sport And Religion versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sport And Religion books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sport And Religion books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sport And Religion books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sport And Religion books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sport And Religion books and manuals for download and embark on your journey of knowledge?

FAQs About Sport And Religion Books

1. Where can I buy Sport And Religion books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
