of the dances and portray the native costume of the dancers The simple triangular markings in the diagrams of formations show the positions of dancers at the start of the dance The authors wish to express their appreciation to Lester H Bruch Florida State University for his advice in the arrangements of the musical scores for Bruder Lustig and Familie Sekstur About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     *The American Square Dance* Margot Mayo,1943     **Dance a While** Anne M.
