And the sample test section covers every body system tested on the actual exam. Test questions reflect the weighting used in the CCRN blueprint. Contents include reviews of the cardiovascular, respiratory, neurologic, renal, gastrointestinal, endocrine, hematologic, and immunologic systems. Multisystem review sample test with questions, answer sheet, answers and rationales, appendices, selected references, and index.

Maximize your exam preparation time with this quick hit question and answer review. The unique question and single answer format eliminates the guesswork associated with traditional multiple choice Q/A reviews and reinforces only the correct answers you'll need to know on exam day. Emphasis is placed on distilling key facts and clinical pearls essential for exam success. Great for certification and re-certification, this high yield review for the CCRN exam is the perfect compliment to larger tests for intense streamlined review in the days and weeks before your exam.
