## **Solzhenitsyn's Political Thought:**

*Assault on Ideology* James F. Pontuso, 2004-01-01 In this new paperback edition of *Assault on Ideology* Aleksandr Solzhenitsyn's Political Thought author James F. Pontuso showcases the titanic thought that understood Marxism to be a vain and ultimately merciless effort to fulfill the Enlightenment dream of fully conquering and exploiting nature in order to establish a perfect and just society on earth

Solzhenitsyn's Political Thought James F. Pontuso, 1990 **Solzhenitsyn's Political Thought** James F. Pontuso, 1990 **The Politics of Solzhenitsyn** Stephen Carter, 1977 Discusses the effect of Solzhenitsyn's 12 year imprisonment and exile on his later years of creative activism **Aleksandr Solzhenitsyn** Daniel J. Mahoney, 2001-08-07 In Aleksandr Solzhenitsyn Daniel Mahoney presents a philosophical perspective on the political condition of modern man through an exegesis and analysis of Solzhenitsyn's work Mahoney demonstrates the tremendous yet often unappreciated impact of Solzhenitsyn's writing on twentieth century thinking through an examination of the writer's profoundly important critique of communist totalitarianism in a judicious and original mix of western and Russian Christian and classical wisdom

Russian Political Philosophy Evert van der Zweerde, 2022-07-25 Political philosophy in Russia has always sought and sometimes found a middle way between embracing anarchy and searching for authority Political philosophy in Russia has never before been the subject of a scholarly monograph While historical factors make this understandable the topic deserves our attention more than ever now that Russia after a short Soviet century has regained self assurance as a world power Its unique historical trajectory and the specific role of philosophy in it are of interest to many fields of research and beyond that broader audiences A focus on political philosophy as it existed and exists in Russia despite periods of marginalisation and suppression allows us to understand its specific character importance and relevance and to realise that in trying to think philosophically critically and reflectively about the political reality that shapes them Russian thinkers are not essentially different from philosophers elsewhere Hence many lessons that can be learned from this subject

Political Philosophy Comes to Rick's James F. Pontuso, 2005-01-01 *Casablanca* is a movie about love and loss virtue and vice good and evil duty and treachery courage and weakness friendship and hate It is a story that ends well but only because the main characters make a heartbreaking choice *Casablanca* is perhaps the most widely viewed motion picture ever made often finishing on critics lists second only to *Citizen Kane* What accounts for its continuing popularity What chord does it strike with audiences What lesson does *Casablanca* teach Americans about themselves What influence does popular culture have on public mores The contributors to *Political Philosophy Comes to Rick's* take up these questions finding that *Casablanca* raises many of the most important issues of political philosophy Perhaps *Casablanca* has an enduring quality because it like political philosophy raises questions of human life the nature of love friendship courage honor responsibility and justice
