*Somatics* Thomas Hanna, 1988-01-21 Building on the foundation laid by Moshe Feldenkrais Thomas Hanna's groundbreaking work completely redefines the body's potential for withstanding decline. His gentle program for the mind and body proves once and for all that so many problems we accept as inevitable over time chronic stiffness bad back chronic pain fatigue and at times even high blood pressure need never occur if we maintain conscious control of nerve and muscle replacing Sensory Motor Amnesia with Sensory Motor Awareness. The good news of Somatic Exercise is that most people simply do not have to become captives of age or injury. Once learned this lifelong program can help almost anyone maintain the pleasures of a supple healthy body indefinitely with only a five minute routine once a day. ***Yoga Journal***, 1997-09 For more than 30 years *Yoga Journal* has been helping readers achieve the balance and well being they seek in their everyday lives.
