## Some Central Problems In Humes Philosophy:

The Central Problem of David Hume's Philosophy Christopher Verney Salmon,1929    Some Central Problems in Hume's Philosophy S.C. Daniel,2002-07    **The Metaphysics of G. E. Moore** David O'Connor,2012-12-06 In this book setting aside his consideration of specifically ethical topics I try to provide a comprehensive interpretation of Moore s thought Against the background of this general interpretation I examine in detail his work on some of the central problems of metaphysics and because Moore s being able to sustain a consistent anti skepticism is essential to the survival of the base from which he works on those problems of epistemology too The interpretation of which I speak involves my taking as the centerpiece of Moore s philosophical work his book Some Main Problems of Philosophy written in 1910 as the text of a lecture series but left unpublished for over forty years thereafter That book is aptly titled for the issues with which Moore deals in it are indeed among the main problems of philosophy Not least of these are the problems of formulating a general categorial deSCription of the world and then of defending that formulation However while I will discuss Moore s work in light of its contribution to this project of taking metaphysical inventory it is important to note that he in common with many other major figures in contemporary analytical philosophy did not approach specific philosophical puzzles with a view to possibly integrating solutions to them into a comprehensive theory about reality as a whole that is into what might be called a metaphysical system    **The Philosophy of P.F. Strawson** Pranab Kumar Sen,Roop Rekha Verma,1995 Festschrift honoring P F Strawson includes contributed articles on his contributions in logic and on logic    **Mind** ,1923    **Locke, Berkeley, Hume: Central Themes** Jonathan Bennett,1971    *The Naga Resistance Movement* Dr. Aosenba,2001    Hume's Philosophy of Mind John Bricke,1980    **The New American Cyclopaedia** Charles Anderson Dana,George Ripley,1873    **The Place of the Imagination in Hume's Epistemology** Richard H.
