Excerpt from *Some Imagist Poets: An Anthology*. In this new book, we have followed a slightly different arrangement to that of the former Anthology. Instead of an arbitrary selection by an editor, each poet has been permitted to represent himself by the work he considers his best, the only stipulation being that it should not yet have appeared in book form. A sort of informal committee consisting of more than half the authors here represented have agreed. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works.
