Some Others And Myself:

Ghosts I Have Met and Some Others John Kendrick Bangs, 2006-05-22 If we could only get used to the idea that ghosts are perfectly harmless creatures who are powerless to affect our well being unless we assist them by giving way to our fears we should enjoy the supernatural exceedingly it seems to me Coleridge I think it was once asked by a lady if he believed in ghosts and he replied No madame I have seen too many of them Which is my case exactly I have seen so many horrid visitants from other worlds that they hardly affect me at all so far as the mere inspiration of terror is concerned On the other hand they interest me hugely and while I must admit that I do experience all the purely physical sensations that come from horrific encounters of this nature I can truly add in my own behalf that mentally I can rise above the physical impulse to run away and invariably standing my ground I have gained much useful information concerning them A Description of the East and Some Other Countries Richard Pococke, 1745 "A" Description Of The Wast, And Some Other Countries Richard Pococke, 1745 *Report of the Joint Select Committee to Inquire Into the Condition of Affairs in the Late Insurrectionary States: Testimony taken by the Joint Select Committee to inquire into the condition of affairs in the late insurrectionary states: South Carolina (June 6-July 27, 1871)* United States.
