## Some Soul To Keep:

I Pray the Lord My Soul to Keep Edward Vaughn, 2015-07-16 Whether you are you Christian Jewish Agnostic or Atheist you will find this story containing and dealing with many important spiritual issues of life both interesting and highly relevant Unlike so many other books on this topic its not loaded with a lot of antiquated sounding Bible babble but ordinary and logical talk and our Lord is treated in a realistic and understandable manner It is based on a review of several other books on this topic and contains events which were very believably reported by individuals who experienced death and returned to life If nothing else it will help you to think more realistically about spirituality and the next life      Your Soul to Keep Ed Stauffer, 2016-11-21 Good and evil have always existed and the battle between heaven and hell has been waged since before humankind s earliest memories Agents on both sides of this unending war move across the world searching for and claiming souls to fill their ranks They scour battlefields and dark alleys appearing in hospitals and at the bedsides of the dying They sometimes dwell among the oblivious masses going about their lives not knowing that anyone could be an agent of heaven or of hell Hellerman is one of these agents a shadow who descends upon the dying to procure their souls for his master Throughout millennia he has traveled across the continents appearing at one moment in a far removed village in Africa and later in the vast cities of Europe and North America He has never questioned his duty before But he has never had anyone show him what it is like to have someone care about him and for him And with that friendship comes another battle this time inside himself whose outcome will alter his destiny completely      **"I wish to keep a record"** Gail G. Campbell, 2017-01-01 I wish to keep a record is the first book to focus exclusively on the life course experiences of nineteenth century New Brunswick women Gail G Campbell offers an interpretive scholarly analysis of 28 women s diaries while enticing readers to listen to the voices of the diarists      LOCKBOX Kenneth Allen Crutchfield, Sr., 2022-09-14 Edwina Jennings an ambitious young bank employee is desperate to have a child Along with the burning desire to become a single mother is her ruthless drive to climb the corporate ladder With the help of lucid dreaming she quickly rises to an upper management position but not without paying a heavy price Realizing only part of her vision she abandons lucid dreaming and turns to an intriguing form of mystical philosophy introduced to her by two research doctors and a professor      **Addresses** Dwight Lyman Moody, 1880      Crossing Bridges Barbara Knapp, 2022-01-05 Crossing Bridges Stepping into the Next Chapter Manifest Your Destiny When you place your foot on the bridge of change embrace all the steps ahead as we cross our bridges and take a look on the inside to see a new direction we are headed in opening up to the light that is within so when we arrive on the other side our view is so much brighter Remember we are all just passing through on our journeys back home so don t leave any stone unturned as we reach higher in our quest to birth Heaven here on Earth Your book of life is not complete yet so embrace your dreams and don t let go until you arrive at your final destination Our light becomes stronger once we start to connect with our soul families and inspire each other to cross our bridges and manifest our destinies I heard it from the
