## Some Special Times:

Time with Someone Special: A Writing Unit Mary F. Burke,Judy Gould,2008-09-01 This packet taken from the popular Four Square series provides a personal coach for students to help them write and is designed to meet the interests and abilities of writers in grades 1 3 Expand your students minds with art word association questions poetry and planning and composition of prose These exercises centered around the topic of spending quality time with others will take away your young learners fear of writing and allow them to have some fun **I Am Someone Special** Belinda Hernandez,2016-03-12 In the book I Am Someone Special the author shares the story of her dysfunctional childhood her journey through the road of drug addiction and drug dealing and how she struggled to leave her dark past behind and move on to a new and better life Ms Hernandez did not experience the kind of childhood others enjoy by being adopted into a wealthy well off family She failed to receive the affection she wanted from her parents particularly from her adoptive mother The author was the youngest among seven children and the one who received the worst treatment from her alcoholic mother who was also addicted to drugs Her birthmother had stabbed her in the head when she was a nine month old baby After an incident that almost robbed the author of her life she was placed into an orphanage where her adoptive parents rescued her The authors adoptive family gave her the love she had long wanted along with everything she and her adopted brother and sister could ask for But despite it all Ms Hernandez became rebellious especially as a teenager Her rebellious teenage years eventually led her to the wrong path as she started using drugs and selling it as well She worked further into the drug business until she got caught and sentenced for a couple years in prison After serving her sentence the author strived to live a clean life and start anew With the help of her faith in God and the support of the man she loves she managed to reinvent herself into a better and strong person I Am Someone Special might appeal to a reader interested in stories that have changed the lives of individuals who recovered from drug addiction and made the decision to rebuild their lives away from drugs If you would like to get ahold of the author for questions or for advice contact her through Belindahernandez664 yahoo com You can buy my books at Amazon Barnes and Noble and Books A Million *Raising Someone Special* TRACY FOSTER FRANCIS,2023-06-29 Imagine everything that you thought you knew about life being challenged You now question the best way to do things You look at what makes things easy or difficult with a new perspective Now imagine that the person responsible for this is your child Typically that is not abnormal We always look at things with a sense of wonder and magic when our children are small Now consider what it would be like if this stage of life never stopped This book is about my experiences navigating life with my daughter starting with first discovering that she was someone special as an infant through her high school years We faced many challenges Some of them came from others while some challenges were self inflicted When dealing with someone who perpetually sees things from a different perspective you have to adjust your responses What you don t realize as a parent is that others do not understand the importance of operating from that alternative perspective You will never look at

things the same again They have never had someone totally melt down over something that to most is seemingly simple They do not understand that the things that most normal people value are not the same things that some with disabilities value It is my hope with this book that others will get a glimpse into the lives of those who are special and the people who love and care for them    **Messiah Pulpit** ,1899 Contains text of sermons delivered by M J Savage and others in New York City
