The Victims of Love Colin Spencer, 2015-09-17 First published in 1978, *The Victims of Love* was the last in a quartet of novels by Colin Spencer concerning the Simpson family and their charged relationships across the generations. Now we are in the 1960s as Sundry Simpson attempts a reclusive existence as a single mother, and Matthew struggles with the aftermath of a superficially civilised divorce and the continued rage of passion within. In a new preface, Colin Spencer recalls how he drew inspiration from his own life and the lives of others, intending to be as honest to my experience as I can be, to be ruthless in my vision of others as I have been to myself. Affecting hilarious and grave, the Generation Quartet is a tapestry of unforgettable characters in all their seaminess and sadness, their idealism and desires. It is a delight to meet them again. Sir Huw Weldon

Private Criminal Justice Ric Simmons, 2023-10-05 Describes and evaluates private responses to criminal activity, including private policing, independent criminal adjudications, and vigilante actions.

Learning from Victims' Family Narratives Morag C. Kennedy, 2025-07-08 Offering a new perspective on intimate partner abuse and homicide this book recognises the families of victims as legitimate agents of knowledge in terms of the harm experienced by their family members and considers how this harm is extended to the families themselves Examining harm from both an offline and online point of view the book explains the multipurpose roles of offline and online harm and how these roles do not occur in isolation in terms of the victims and families abusive experiences In doing so it demonstrates the range of harm experienced in the context of intimate partner abuse and homicide and outlines the overlapping nature of offline and online harm without prioritising one form of harm over the other instead considering the harm experienced as a continuum Providing theoretical and empirical contributions that are largely absent from existing victimology and harm literature Learning from Victims Family Narratives The Impact of Offline and Online Harm in Cases of Intimate Partner Homicide will be of interest to scholars researchers students and practitioners exploring the modern conceptualisation of harm and its impact on individuals beyond the victim and perpetrator
