Something From Nothing Understanding What You Believe About Creation And Why:

Something from Nothing Kurt P. Wise, Sheila A. Richardson, 2004 Did a thoughtful creator speak the whole universe into existence? What is the age of the universe? Most Christian students today are familiar with Bible stories but don't have a clue how to combat the prevailing anti-Christian philosophies. Beginning with God and His Word as the standard, *Something from Nothing* demonstrates how the biblical witness teaches that the age of the universe is not as old as other theories contend. The authors stress the purpose of origins study as an approach to knowing God in a deeper way. *Something from Nothing* also demonstrates how all issues raised by evolutionists can be answered not only by the Bible but also by scientific data and research.
