Before Disney and far from the palm lined Florida beaches ten year old Danny Ryan is transplanted to a tiny community on the hyacinth choked Hillsborough River outside Tampa a place his older sister calls Nowhere But for Danny and his best friend the irrepressible Alfred Bagley whose fondest desire is to grow up to be a junk dealer Nowhere is where adventures lurk and lure them into more trouble than they can handle More trouble is not what Danny needs as he copes with a family that includes a father sinking into schizophrenia two sisters one very ill and the other ready to run away with a shady boyfriend and a mother trying her best to hold it all together Yet Danny keeps his good humor seeking escape on the nearby Hillsborough River or in the little community of Sulphur Springs But Danny s adventures take a fateful turn when he begins seeing a mysteriously changing house across the hyacinth choked Hillsborough Is he going crazy like his father With the help of a small band of quirky but faithful allies Danny searches for and finds himself Adventures in Nowhere paints a compelling imaginative and often humorous vision of a time a place and a way of growing up allowing a reader to live for a while in the mind of a remarkably thoughtful and intense boy caught at the final edge of childhood *Loaded for Bear* Martin Harry Greenberg, Charles Gordon Waugh, 1990 **The Edge of Panic** Marilyn Edwards, 2012-11-28 Dawn strolled over to another wall where a large framed penciled drawing presented a grinning skull a transparent round pipe with smoke curling from it and a horned skull with hollow eyes that appeared to be laughing at her like the phantom of her nightmare Devoid of color gray and white swirls of smoke depicted illusionary demons there were demons in the smoke The artwork a little on the dark side seemed almost symbolic She remembered a time not so very long ago when Preston City was the safest place to live Then drugs became more than a troubling issue Van Morrison and Bob Kaley invaded their town and death walked stealthily through the halls of their school out onto their quiet streets They had arrived in town at about the same time last year a simple coincidence Van Morrison a drug pusher on the south side Bob Kaley a respected teacher in her school It seemed unlikely the two would have any connection Still she had her suspicions Dawn wondered if it was her imagination working overtime linking a social studies teacher to disreputable drug pusher
