## **Something Special Kindergarten:**

**Something Special** Stephanie Perry Moore, 2011-04-15 The Morgan Love Series is a chapter book series written for girls 7-9 years old. The series provides moral lessons that will aid in character development. It will also help young girls develop their vocabulary, English and math skills as they read through the stories and complete the entertaining and educational exercises provided at the end of each chapter and in the back of the book. Morgan, wanting to fit in with the crowd, teases a large girl and a special ed kid at school. When she is caught, she has to go to the principal's office. When she finds out how much her teasing hurt her classmates, she feels bad. Even though she feels bad, the principal disciplines her. At home, things become weird when she tells her parents about what happened at school. They get upset with Morgan and start arguing with each other about the best way to punish Morgan. Once again, Morgan feels bad and sees that going along with the crowd is not always a smart thing to do. Later, while playing together, Morgan and her cousins all share a secret wish. Morgan wanted to be prettier, Drake wanted to be taller, and Sadie wanted longer hair. When Morgan goes to vacation Bible school, she learns that God made each person just the way they are for a good reason. As she thinks about this, the wishes she and her cousins made and even those other kids she laughed at, Morgan realizes that they are okay just the way they are and that to God, they are all something special.

*Making the Special Schools Ordinary?: Models for the developing special school*  
Derek Baker, Keith Bovair, 1989. This is a two volume set. The first volume explores the theory as to how special schools could respond to the many changes with which they are currently faced. The second volume carries forward this theme by presenting case studies of real schools, real developments, not theory that might be replicated or serve as a model in other settings.

**All the Kids on My Block** David Hoye, 2023-04-10. This is the second edition of Dave's most popular book. *All the Kids on My Block*. Dave has added pictures at the beginning of each chapter and a study guide at the end. *All the Kids on My Block* is a recounting of the many experiences that Dave has had with kids during his thirty-five years working as a Counselor for Lutheran Social Services in SD, Montana and Iowa and as a school social worker and a private practice therapist in Northwest Iowa. The joy, hope, and love that kids shared with the adults in their lives are poignant and heart-warming. Dave feels that throughout the years he has learned far more from his kids than what he has given to them. We hope that you can laugh, cry, and be moved as you follow this journey with all of Dave's kids.
