Sometimes Gladness Collected Poems 1954 1978:

Sometimes Gladness Bruce Dawe, 1978 **Attuned to Alien Moonlight** Dennis Haskell, 2002 Bruce Dawe is Australia's most popular and widely studied poet. This first full scale critical study of his poetry to date reveals a richly complex and varied poet. Dennis Haskell argues that the widespread view of Dawe as a social satirist is limiting and that Dawe is a more imaginative and lyrical poet than he has been given credit for as the title *Attuned to Alien Moonlight* indicates. Dawe's apparent topicality and ease of access hides deeper, more mysterious and more Romantic elements in his work. Haskell analyses well known and some quite unknown poems in order to build up a picture of Dawe's poetry as a whole and his chapters approach Dawe from some surprising perspectives for example in relation to Asia and as a love poet. Aimed at both students of Dawe's work and the general literary reader, the book places Dawe in the context of Australian poetry and cultural values and in relation to the larger traditions of poetry in English. It includes a substantial bibliography and a comprehensive chronology. **Encyclopedia of Post-Colonial Literatures in English** Eugene Benson, L.W.

Conolly, 2004-11-30 Post Colonial Literatures in English together with English Literature and American Literature form one of the three major groupings of literature in English and as such are widely studied around the world. Their significance derives from the richness and variety of experience which they reflect. In three volumes this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories. In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide. **Sometimes Gladness** Bruce Dawe, 1978

Selina Samuels, 2004 Gives a picture of Australian literary production in the period from the accession of Robert Menzies through the dreary 1950s and the upsurge of the 1960s to the years of Gough Whitlam and his removal from office with Kerr's coup. **The Cambridge Paperback Guide to Literature in English** Ian Ousby, 1996-02-23 Derived from the parent
