

A scenic view of a beach at dusk. In the foreground, a campfire with bright orange and yellow flames burns on a sandy beach. A long wooden stick lies on the sand to the left of the fire. The middle ground shows a calm body of water reflecting the colorful sky. A small boat is visible on the water. The background features dark, silhouetted hills under a sky with streaks of pink, purple, and blue. The overall mood is peaceful and serene.

The Sea Captain's Wife Tilar J. Mazzeo, 2025-12-09 The true story of the first female captain of a merchant ship and her treacherous navigation of Antarctica s deadly waters from the New York Times bestselling author of The Widow Clicquot Summer 1856 Nineteen year old Mary Ann Patten and her husband Joshua were young and ambitious Both from New England seafaring families they had already completed their first clipper ship voyage around the world with Joshua as captain If they could win the race to San Francisco that year their dream of building a farm and a family might be within reach It would mean freedom And the price of that freedom was one last dangerous transit into the most treacherous waters in the world As their ship Neptune s Car left New York Harbor and sailed down the jagged coast of South America Joshua fell deathly ill and was confined to his bunk delirious The treacherous first mate confined to the brig for insubordination was agitating for mutiny With no obvious option for a new captain and heartbroken about her husband Mary Ann stepped into the breach and convinced the crew to support her just as they

slammed into a gale that would last 18 days Determined to save the ship the crew and their future she faces down the deadly waters of Drake s Passage Set against the backdrop of the California Gold Rush and taking us to the brink of Antarctica The Sea Captain s Wife finally gives Mary Ann Patten the first woman to command a merchant vessel as captain her due Mazzeo draws on new archival research from nineteenth century women s maritime journals and on her own expedition to the Southern Ocean and Antarctica in search of Mary Ann s route Thrilling harrowing and heroic The Sea Captain s Wife is the story of one woman who for love would do what was necessary to survive

**A Cultural History of the Sea in the Early Modern Age** Steve Mentz,2023-02-09 For the first time during the Early Modern period ships regularly traveled between and among all of basins that comprise the World Ocean During this period European mariners ventured into new waters where they encountered new trading partners new environments and new opportunities In the Caribbean and Atlantic coast of the Americas European mariners sought everything from pearls to gold to codfish and in pursuing these resources they fractured Indigenous communities Entering into the ancient monsoon routes of the Indian Ocean brought European ships in touch with the powerful states and maritime cultures of East Africa and Asia Converging on the vast Pacific basin both from the Americas and from Asia brought these mariners into contact with ancient cultures dangerous passages and newly global trade routes During this period of globalization and cultural encounters the ocean provided a means of transportation a site of environmental hostility and a poetic metaphor for both connection and alienation In material and cultural ways the global sea routes traveled during this period laid down structures of global exchange and conflict that the world still follows today

*The Power of Picture Books in Teaching Math and Science* Lynn Columbia,2017-05-12 This book s 50 plus lessons each based on a different picture book or story will help classroom teachers build a foundation for teaching math science and social studies concepts to their students Each lesson uses children s literature to make challenging abstract concepts relevant to children s

lives inviting them to learn these concepts while responding to a story's illustrations, theme, characters, and plot. The lessons also demonstrate how teachers can use children's literature to meet national standards in math, science, and social studies. Chapters 1 through 5 set the stage for using picture books, discussing the effective, imaginative integration of literature into the classroom. Teachers will learn to create an environment that ensures that when children and books come together, the experience is enjoyable and thought-provoking. Chapters 6 through 9 provide individual lessons by grade level with detailed activities based on specific books.
