**Son of Killer Chicken** Bill Hall,1983      *A Rat Is a Pig Is a Dog Is a Boy* Wesley Smith,2012-07-17 Over the past thirty years as Wesley J Smith details in his latest book the concept of animal rights has been seeping into the very bone marrow of Western culture One reason for this development is that the term animal rights is so often used very loosely to mean simply being nicer to animals But although animal rights groups do sometimes focus their activism on promoting animal welfare the larger movement they represent is actually advancing a radical belief system For some activists the animal rights ideology amounts to a quasi religion one whose central doctrine declares a moral equivalency between the value of animal lives and the value of human lives Animal rights ideologues embrace their beliefs with a fervor that is remarkably intense and sustained to the point that many dedicate their entire lives to speaking for those who cannot speak for themselves Some believe their cause to be so righteous that it entitles them to cross the line from legitimate advocacy to vandalism and harassment or even terrorism against medical researchers the fur and food industries and others they accuse of abusing animals All people who love animals and recognize their intrinsic worth can agree with Wesley J Smith that human beings owe animals respect kindness and humane care But Smith argues eloquently that our obligation to humanity matters more and that granting rights to animals would inevitably diminish human dignity In making this case with reason and passion *A Rat Is a Pig Is a Dog Is a Boy* strikes a major blow against a radically antihuman dogma      **Reflections of a Boy Named Christmas** Henry Sherman Christmas,2012-08-10 A memoir reveals the struggles of a southern boy as he attempts to overcome his greatest obstacle in life his stuttering Henry Sherman Christmas observed a man trying to do what most people do so easily however he was having little success He was sixty five years old and the mans disability brought back all the memories of his youth from his preschool days trying to stay under the radar and under the bed until loading his families old Ford sedan in 1958 and heading to California It involves the torment of an abusive but loving father old Pa and the protection of his mother Ma who would have given her life to defend her children Its the mixed up world of cruelty and love that is so tightly woven they seem to appear as one In this poignant memoir he shares a candid and heartfelt glimpse into the life of a child who stutters It entails surviving the cruelty of his teacher in the first second and third grade Mister who though his disability was caused by his laziness and the neglect of his parents It captures the caring side of Miss Jenkins his teacher in the fourth grade who taught him how to conquer his disability Protected by his brother Cone and tormented by Billy the relentless bully who would not leave him alone Loved and loved back by his best friend Bo a young black boy He was born a poor sharecroppers son in 1945 in Arkansas Hes a story teller like his father *Reflections of A Boy Named Christmas* is the inspiring story of a boy who just wants to overcome his greatest obstacle in life and through determination perseverance and the love of others eventually manages to do just that      **Bill Hall's Son of Killer Chicken** Bill Hall,1983-11-01      Forest and Stream ,1899      *Hijikata Tatsumi and Butoh* B.
