Son Of A Sodbuster:

Sod Buster W.R. Benton, 2022-10-10 The newest story in The Youngest Mountain Man series At just 15 years old Levi Meadows has never had an easy life Busting sod to farm the harsh prairie landscape is hard work day in and day out It provides for his family but at a high cost and Levi would like nothing better then to avoid a future growing meager crops in an effort to survive When an Indian raid destroys their homestead and robs him of his father Levi must gather his mother and siblings and flee with them to the nearest military fort and safety Now the man of the family Levi struggles to support them His first faulting steps meet with fresh tragedy and a growing sense of urgency When he meets a group of mountain men that are willing to help him learn the trade it seems his prayers have been answered In a single season of trapping Levi could make more than enough to fill the belly s of his kinfolk More than his farmer father had ever dreamed of earning It might not be easy judging by the weathered and hardy mountain men but Levi is no stranger to hard work and in many ways this lucrative and independent lifestyle appeals to the lad as much as the prospects of money A season of challenges mistakes and lessons learned the hard way await Levi as he joins the frontier universe of acclaimed Western author W R Benton *Sod Buster* the latest blazing action adventure in The Youngest Mountain Man series **Be Sweet** Roy Blount (Jr.), 1998 By turns sardonic and sentimental brazen and bashful tough and tender the autobiography of this Georgia boy turned New York wit resonates with the complex but bouncy chords of a whole man s singing **The Good, the Bad, and the Deadly** J. D. Hardin, 1979 The Doc and Raider series of Westerns followed the adventures of two Pinkerton agents Raider a kind of Arkansas good old boy and Doc a rather well to do doctor from the East There were a total of over 70 novels in the series produced throughout the mid to late 80 s The books were first published by Playboy Books then Berkeley Books produced most of the titles in the series *When Caesar Was King* David Margolick, 2025-11-11 From longtime New York Times and Vanity Fair writer David Margolick comes the first definitive biography of Sid Caesar founding father of television comedy and icon to generations of Americans By the spring of 1954 Sid Caesar was the most influential highly paid and enigmatic comedian in America Every week twenty million people tuned their TVs to his NBC extravaganza *Your Show of Shows* and witnessed his virtuosity in sketches and film spoofs pantomime and soliloquy Onstage Caesar could play any character and make it funny a befuddled game show contestant a pretentious German professor a beleaguered husband opposite his redoubtable co star Imogene Coca even a gumball machine and a bottle of seltzer To Caesar s mostly urban audience his comedy was an era defining leap forward from the days of vaudeville launching a new style of humor that was multilayered and full of character yet still uproarious To his rivals Caesar was the man to beat To his fellow American Jews his show s success meant something more a post Holocaust symbol of security and a source of great pride But behind all that Caesar represented was the real Sid Introverted and volatile ill at ease in his own skin he could terrorize his collaborators but reserved his harshest critiques for himself After barely a decade he was essentially off the air beset by exhaustion addiction

his own impossibly high standards and changing viewership as television spread to the American heartland TV's first true comic creation was also its first spectacular flameout But in his wake came the disciples he personally nurtured including Mel Brooks Carl Reiner Neil Simon and more Caesar left an indelible impact on what still makes us laugh In When Caesar Was King veteran journalist David Margolick conjures this complex man as never before Deeply researched brimming with love for Caesar and the culture from which he sprang and reanimating a New York City that has all but vanished this rollicking and poignant book traces the rise and fall of a legend *Hog Breeder*, 1953 **National Duroc**
