Members of United States Crime Victims Board Susan Dudley Gold, 2014-01-01 The First Amendment to the U.S. Constitution guarantees a free press and free speech. In this fascinating book, award-winning author Susan Dudley Gold explores the issues involved when the state of New York attempted to override the free speech rights of criminals in an effort to compensate their victims. The case and its ramifications described in a clear and entertaining narrative demonstrate the sanctity of the First Amendment even when protecting the rights of wrongdoers and how government interference with free speech affects all citizens.

The Ultimate Evil Maury Terry, 2021-04-20 THE TRUE CRIME CULT CLASSIC Follow journalist Maury Terry's decades-long investigation into the terrifying truth behind the murders of serial killer Son of Sam. Inspired by the Netflix docuseries *The Sons of Sam: A Descent into Darkness*, on August 10, 1977, the NYPD arrested David Berkowitz for the Son of Sam murders that had terrorized New York City for over a year. Berkowitz confessed to shooting sixteen people and killing six with a .44 caliber Bulldog revolver, and the case was officially closed. Journalist Maury Terry was suspicious of Berkowitz's confession. Spurred by conflicting witness descriptions of the killer and clues overlooked in the investigation, Terry was convinced Berkowitz didn't act alone. Meticulously gathering evidence for a decade, he released his findings in the first edition of *The Ultimate Evil*. Based upon the evidence he had uncovered, Terry theorized that the Son of Sam attacks were masterminded by a Yonkers-based cult that was responsible for other ritual murders across the country. After Terry's death in 2015, documentary filmmaker Josh Zeman, *Cropsey: The Killing Season*, was given access to Terry's files, which form the basis of his docuseries with Netflix and a companion podcast. Taken together with *The Ultimate Evil*, which includes a new introduction by Zeman, these works reveal the stunning intersections of power, wealth, privilege, and evil in America from the Summer of Sam until today. 'The Son of Sam' and Me Carl Denaro, Brian Whitney, 2021-03-02 An alleged victim of the Son of Sam shares his search for the truth about who really tried to kill him in this true crime story. In 1976, a killer who called himself The Son of Sam shot and killed a half-dozen people and wounded as many more in New York City. During his crime spree, the madman left bizarre letters mocking the police and promising more deaths. After months of terrorizing the city while garnering front-page headlines and international attention, a man named David Berkowitz was arrested. He confessed to the shootings, claiming to be obeying a demon that resided in a dog belonging to his neighbor Sam. Among the alleged victims was Carl Denaro. On the night he was shot, Denaro was hanging out with some friends at a bar when he met up with a woman named Rosemary Keenan. The couple

left the bar and went to Keenan's car for some privacy. However, a few minutes later the windows of the car exploded as Denaro was shot in the head by an unseen assailant. Miraculously, Denaro survived the attack. When Berkowitz was arrested, he was charged with trying to kill Denaro. However, there was a twist. Although he confessed to the other shootings after his conviction, Berkowitz denied attacking Denaro. Now, after years of research, Denaro is convinced that Berkowitz was telling the truth and that someone else tried to kill him. In *The Son of Sam and Me*, author Carl Denaro with co-author Brian Whitney, *The Supreme Gentleman Killer* reveals his search for the truth and his shocking conclusion regarding the real shooter's identity. Denaro also discusses his friendship and investigative partnership with Maury Terry, the author of *The Ultimate Evil*, which is considered the definitive case study on the theory that Berkowitz did not act alone. Includes never-revealed correspondence between Denaro and Berkowitz.

Son of Sam Paul Brody, 2016-04-09 Starting in the summer of 1976, one man terrorized a city and fascinated a nation. Son of Sam. Over 30 years after his capture, David Berkowitz AKA Son of Sam is still one of the most known serial killers of all time. The life, murders, trial, and prison life of David Berkowitz is recapped in this book. LifeCaps is an imprint of BookCaps™ Study Guides. With each book, a lesser-known or sometimes forgotten life is recapped.

The Son of Sam Jack Smith, 2019-04-22 When people like Berkowitz go off the deep end and cross the bounds of normal human behavior, we just can't help but notice. In this book, learn about this twisted example of a human being. David Berkowitz is more famously known as the Son of Sam, but this is a bit of a misnomer. Berkowitz never called himself the Son of Sam; that was actually the name he gave to the demon that supposedly inhabited his next-door neighbor Sam Carr's dog. And if you were to go to Berkowitz's prison cell today and ask him about it, he would be filled with revulsion at the thought of being associated with it in any way. Of course, very few of us are going to argue semantics with a convicted serial killer, even though Berkowitz claims to have turned over a new leaf in the decades since his infamous murder spree. Having joined the messianic group Jews for Jesus, he says he's now a born-again Christian full of remorse for what he did. But the question still remains: What brought David Berkowitz to Satan's door in the first place? How did he become one of the most insidious serial killers the world has ever known? Here in this book, we will explore all of the twists and turns that led to the Son of Sam killings. Scroll back up and order your copy today.

It's still difficult for people today to conceive of someone being born bad, even as more and

more studies are coming out each year that point to the significant effects of DNA on human behavior. But of course it is also rare that a child born to parents carrying the genes for mental illness or antisocial behavior grows up in a happy stable home where the parents are equipped to provide a living nurturing life. Even children who are adopted into loving homes have to deal with feelings of having been unwanted by their biological parents. Simply put, nature and nurturing can often have countervailing influences. Unfortunately in the case of David Berkowitz, best known as the Son of Sam, it seems almost as though nature and nurture both conspired against him. In the wake of his notorious crime spree, one of the most infamous of the 20th century, he recalled internal struggles to conform from a very early age and had to deal with the baggage and insecurities that came from his adoption. As he grew up, he seems to have lacked the will or at least the fear of the justice system that kept many others like him from going too far down a bad road. Indeed, he later claimed to be unable to control himself, describing dark forces that pressed him on to do things he would never have otherwise done, even as he ultimately confessed to his heinous acts and accepted his punishment rather than drag himself and his victims through a long drawn out trial. The details and the actions of the Son of Sam remain shocking even decades later. Over the course of a seemingly random series of shootings that took place across New York City in 1976 and 1977, Berkowitz taunted law enforcement in highly publicized letters as he continued to elude justice, and when he referred to himself as the son of Sam in one of his rambling letters, his notorious nickname came to life. The senseless nature of the crimes and the erratic statements of the man claiming responsibility for them shook the Big Apple to its core, as long as the killer remained at large and many rightly feared that the publicity Berkowitz generated would only further fuel his crimes and those of copycats. Things only got stranger when Berkowitz was finally arrested in August 1977. After he claimed a neighbor's dog was ordering him to commit the crimes, there was plenty of debate over his mental state, but he was ultimately given a life sentence. New York officials proposed legislation to prevent criminals from profiting off the publicity generated by their crimes, and since his incarceration, controversy continues to follow Berkowitz from his claims to be a born again Christian to others' claims that he's Satanic. One outsider has even offered to exorcise his demons. Throughout, Berkowitz has continued to personally request that he not be granted parole, once explaining, "In all honesty I believe that I deserve to be in prison for the rest of my life. I have with God's help long ago come to terms with my situation and I have accepted my punishment." *Son of Sam: The Life and Crimes of David Berkowitz* looks at the life of the serial killer and the crimes he committed. It was the beginning of many brutal attacks that were to terrorize New York City's citizens over a one-year period. During the summer of 1977, at the height of the killer's notoriety and with the city in a collective panic over who was going to be his next victim, bars and nightclubs were deserted. were sitting in a parked car Shortly after he shot three other individuals in separate incidents After each shooting he would leave behind a note for police containing clues about his identity It was in one of these notes that he first introduced himself as the Son of Sam Despite the fact that police questioned nearly 1 500 people they were unable to identify the shooter until the summer of 1977 By then Berkowitz had shot several more victims and even sent letters to columns in newspapers It was through one of these letters that police were able to trace the letter back to Berkowitz When he was eventually taken into custody Berkowitz confessed to all of the shootings It was at this time that it was revealed that he had been targeting victims based on their hair color in particular brunettes He also revealed that he had been hearing voices which had told him to kill the victims After his confession Berkowitz pled guilty to all of his charges and was sentenced to 365 years in prison In 1987 he converted to Christianity and began speaking out against the occult and satanic activities with which he had once been involved Today David Berkowitz is still serving out his sentence at the Sullivan Correctional Facility in Fallsburg New York He remains one of the most notorious serial killers of all time and a reminder of the lengths to which people can go when consumed by hatred and isolation
