Daniel ? ? Song Daniel, Daniel ? ? Song, 2012-04-29 About the author Daniel Song and his writing about himself his observations and attempt at understanding and describing life and himself in a kind of monologue **Daniel's Music** Jerome Preisler, 2013-09-13 In 1997 Daniel Trush a bright active outgoing twelve year old collapsed on the basketball court and fell into a deep coma Rushed to the hospital he was found to have five previously undetected aneurysms in his brain One had burst causing a massive cerebral hemorrhage While Daniel remained comatose the uncontrolled pressure inside his skull caused him to suffer multiple strokes Tests showed that his brain functions had flat lined and doctors would soon tell his parents his chances of survival were slim to none or that he d likely remain in a vegetative state if he awakened But the doctors were wrong Daniel s traumatic injury did not bring his life to a premature end Thirty days after lapsing into a coma he would return to consciousness barely able to blink or smile Two years later he took his first extraordinary steps out of a wheelchair A decade after being sped to the emergency room Daniel Trush completed the New York Marathon But his incredible journey into the future had just begun With music having played a crucial role in his recovery Danny and his family launched Daniel s Music Foundation a groundbreaking nonprofit organization for people with disabilities In time DMF would be honored on a Broadway stage by the New York Yankees gaining notoriety and admiration across America Daniel s Music is the gripping story of Daniel s recovery against odds experts said were insurmountable of medical science faith and perseverance combining for a miracle and of an average family turning their personal trials into a force that brings joy inspiration and a powerful sense of belonging to all those whose lives they touch **Catalogue of (printed) music.
