use these books will bear in mind the above fact and allow the children to sing the words as they would read them taking all the liberties necessary for the elocutionary expression of the text the best results will I am sure be obtained About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     **Book News** ,1897     *Small Press Record of Books in Print* Len Fulton,1994     International Journal of Religious Education ,1946     Fantasy Newsletter ,1983
