Some Kind Of Paradise A Chronicle Of Man And The Land In Florida:

Some Kind of Paradise Mark Derr, 1989 Derr presents the most comprehensive portrait ever of past and present Florida vividly describing its vanishing wildlife and its peculiar yet beautiful geography 40 black and white photos Copyright Libri GmbH All rights reserved

Some Kind of Paradise Mark Der, *An Everglades Providence* Jack E. Davis, 2013-05 No one did more than Marjory Stoneman Douglas to transform the Everglades from the country's most maligned swamp into its most beloved wetland. By the late twentieth century her name and her classic *The Everglades River of Grass* had become synonymous with Everglades protection. The crusading resolve and boundless energy of this implacable elder won the hearts of an admiring public while confounding her opponents' growth merchants intent on having their way with the Everglades. Douglas's efforts ultimately earned her a place among a mere handful of individuals honored as a namesake of a national wilderness area. In the first comprehensive biography of Douglas, Jack E. Davis explores the 108 year life of this compelling woman. Douglas was more than an environmental activist. She was a suffragist, a lifetime feminist, and supporter of the ERA, a champion of social justice, and an author of diverse literary talent. She came of age literally and professionally during the American environmental century, the century in which Americans mobilized an unprecedented popular movement to counter the equally unprecedented liberties they had taken in exploiting, polluting, and destroying the natural world. The Everglades were a living barometer of America's often tentative shift toward greater environmental responsibility. Reconstructing this larger picture, Davis recounts the shifts in Douglas's own life and her instrumental role in four important developments that contributed to Everglades protection: the making of a positive wetland image, the creation of a national park, the expanding influence of ecological science, and the rise of the modern environmental movement. In the grand but beleaguered Everglades, which Douglas came to understand is a vast natural system that supports human life, she saw nature's providence.

Roads Through the Everglades Bruce D. Epperson, 2016-06-21 In 1915 the road system in south Florida had changed little since before the Civil War. Travelling from Miami to Ft. Myers meant going through Orlando 250 miles north of Miami. Within 15 years three highways were dredged and blasted through the Everglades: Ingraham Highway from Homestead 25 miles south of Miami to Flamingo on the tip of the peninsula; Tamiami Trail from Miami to Tampa; and Conners Highway from West Palm Beach to Okeechobee City. In 1916 Florida's road commission spent \$967. In 1928 it spent \$8 million. Tamiami Trail originally projected to cost \$500,000 eventually required \$11 million. These roads were made possible by the 1920s Florida land boom, the advent of gasoline and diesel powered equipment to replace animal and steam powered implements, and the creation of a highway funding system based on fuel taxes. This book tells the story of the finance and technology of the first modern highways in the South.

Saving Florida Leslie Kemp Poole, 2015-05-12 In *Saving Florida*, Leslie Kemp Poole casts new light on the women at the forefront of Florida's environmental movement. From creating parks to protesting air pollution, fighting dredge and fill operations and exposing the health dangers of pesticides, these women caused unprecedented

changes in how the Sunshine State values its many and marvelous natural resources At the beginning of the twentieth century women didn t have the vote but by the end of the century they were founding issue specific groups like Friends of the Everglades and running state and federal agencies including the U S Environmental Protection Agency They set the foundation for the next century s environmental agenda which came to include the idea of sustainable development which meshes ecology and economy to enhance energy efficiency and the function of natural systems This is an indispensable history that not only underscores the importance of women in the environmental movement but also shows how as a collective force they forever altered how others saw women s roles in society *The Florida Historical Quarterly* Florida Historical Society,2003

The Marjorie Kinnan Rawlings Journal of Florida Literature ,1999 **The New York Times Book Review** ,1990 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback *The Florida Historical Quarterly* ,1992-07 The Companion to Southern Literature Joseph M. Flora,Lucinda Hardwick

MacKethan,2001-11-01 Selected as an Outstanding Academic Title by Choice Selected as an Outstanding Reference Source by the Reference and User Services Association of the American Library Association There are many anthologies of southern literature but this is the first companion Neither a survey of masterpieces nor a biographical sourcebook The Companion to Southern Literature treats every conceivable topic found in southern writing from the pre Columbian era to the present referencing specific works of all periods and genres Top scholars in their fields offer original definitions and examples of the concepts they know best identifying the themes burning issues historical personalities beloved icons and common or uncommon stereotypes that have shaped the most significant regional literature in memory Read the copious offerings straight through in alphabetical order Ancestor Worship Blue Collar Literature Caves or skip randomly at whim Guilt The Grotesque William Jefferson Clinton Whatever approach you take The Companion s authority scope and variety in tone and interpretation will prove a boon and a delight Explored here are literary embodiments of the Old South New South Solid South Savage South Lazy South and Sahara of the Bozart As up to date as grit lit K Mart fiction and postmodernism and as old fashioned as Puritanism mules and the tall tale these five hundred entries span a reach from Lady to Lesbian Literature The volume includes an overview of every southern state s belletristic heritage while making it clear that the southern mind extends beyond geographical boundaries to form an essential component of the American psyche The South s lavishly rich literature provides the best means of understanding the region s deepest nature and The Companion to Southern Literature will be an invaluable tool for those who take on that exciting challenge Description of Contents 500 lively succinct articles on topics ranging from Abolition to Yoknapatawpha 250 contributors including scholars writers and poets 2 tables of contents alphabetical and subject and a complete index A separate bibliography for most entries **Florida's Heritage of Diversity** Canter Brown (Jr.),1997 "They All Came from Someplace Else" Melanie Rebecca Shell-Weiss,2002 Historic Highway

Bridges of Florida ,2004 **Exploring Florida's Botanical Wonders** Sandra Friend,2009 Surveys interesting Florida sites based on the botanical species found there Prince John Magruder Paul D. Casdorph,1996-10-16 By the spring of 1861 Prince John Magruder had risen to the estimable position of commander of the Washington garrison Although he knew Abraham Lincoln and several cabinet members personally when secession and war became imminent Magruder resigned his duties as the president s bodyguard to race home to Virginia to answer the Confederate call to arms **Visions of Eden** Robert Bruce Stephenson,1997 Since the turn of the century the opportunity to design a city nestled in a subtropical garden has attracted the nation s preeminent planners to St Petersburg The most ambitious plan was developed in 1923 by John Nolen who believed that an interconnected system of preserves and parks would enhance the city s development and attract tourists for generations His initiative failed miserably at the polls however because it threatened the conflicting notion of paradise held by hundreds of investors who were profiting from the greatest real estate boom in the nation s history and feared that planning would curtail speculation As Stephenson points out a half century would pass until a series of ecological disasters in the 1970s finally compelled city officials to adopt an environmentally sound development plan that reflected Nolen s original vision Proceedings of the ... Annual Gulf and Caribbean Fisheries Institute Gulf and Caribbean Fisheries Institute,2004 *The Best Books for Academic Libraries: History of the Americas* ,2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers **Site Characterization for the Florida Keys National Marine Sanctuary and Environs: Bibliography of the Florida Keys and environs** ,1996 The New Encyclopedia of Southern Culture: Ethnicity ,2006 Volume 4 Myth manners and memory This volume addresses the cultural social and intellectual terrain of myth manners and historical memory in the American South Evaluating how a distinct southern identity has been created recreated and performed through memories that blur the line between fact and fiction this volume paints a broad multihued picture of the region seen through the lenses of belief and cultural practice
