## **Some Of Us Chinese Women Growing Up In The Mao Era:**

**Some of Us** Xueping Zhong,Zheng Wang,Bai Di,2001 Some of Us is a collection of memoirs by nine Chinese women who grew up during the Mao era All hail from urban backgrounds and all have obtained their Ph D s in the United States thus their memories are informed by intellectual training and insights that only distance can allow Each of the chapters arranged by the age of the author is crafted by a writer who reflects back to that time in a more nuanced manner than has been possible for Western observers The authors attend to gender in a way that male writers have barely noticed and reflect on their lives in the United States     *Some of Us* Xueping Zhong,Zheng Wang,Bai Di,2001     *The Cold War in Asia* Zheng Yangwen,Hong Liu,Michael Szonyi,2010-02-16 The Cold War stayed cold in Europe but it was hot in Asia Its legacy lives on in the region In none of the three dominant historiographical paradigms orthodox revisionist and post revisionist does Asia or the rest of the Third World figure with much significance What happens to these narratives if we put them to the test in Asia This volume argues that attention to what has been conventionally considered the periphery is essential to a full understanding of the global Cold War Foregrounding Asia necessarily leads to a re assessment of the dominant narratives This volume also argues for a shift in focus from diplomacy and high politics alone towards research into the culture of the Cold War era and its public diplomacy As a whole the essays contribute to enriching our understanding of what was really happening in an era that is too often understood in the catch all framework of the Cold War Akira Iriye Harvard University

**The Changing Face of Women's Education in China** Xiaoyan Liu,2017 This book offers a critical study on the history of Shanghai No 3 Girls Middle School from its missionary predecessors St Mary s Hall and McTyeire School to its present form as a public school By bringing together three historical periods late imperial the Republic of China and the People s Republic of China and their respective political regimes into one project and tracing continuities and discontinuities in terms of education between the Nationalists and Communists the book argues that education in Chinese modern history affords another example of continuous revolution Dissertation Series Sinologie Vol 5 Subject Education Chinese Studies Asian Studies Gender Studies History Politics     *Routledge Handbook of Chinese Gender & Sexuality* Jamie J. Zhao,Hongwei Bao,2024-04-09 This Handbook offers a rich survey of topics concerning historical modern and contemporary Chinese genders and sexualities Exploring gender and sexuality as key dimensions of China s modernisation and globalisation this Handbook effectively situates Chinese gender and sexuality in transnational and transcultural contexts It also spotlights nonnormative practices and emancipatory potentials within mainstream heterosexual dominated and patriarchally structured settings It serves as a definitive study research and resource guide for emerging gender and sexuality issues in the Chinese speaking world This Handbook covers interdisciplinary methodologies perspectives and topics including History Literature Art Fashion Migration Translation Sex and desire Film and television Digital media Star and fan cultures Fantasies and lives of women and LGBTQ groups Social movements Transnational feminist and queer politics Paying acute attention to

nonnormative genders and sexualities and emphasising the intersectionality of gender sexuality nationality ethnicity and class this Handbook offers an essential field defining text to Chinese gender and sexuality studies *The Cambridge Companion to Modern Chinese Culture* Kam Louie,2008-06-05 At the start of the twenty first century China is poised to become a major global power Understanding its culture is more important than ever before for western audiences but for many China remains a mysterious and exotic country This Companion explains key aspects of modern Chinese culture without assuming prior knowledge of China or the Chinese language The volume acknowledges the interconnected nature of the different cultural forms from high culture such as literature religion and philosophy to more popular issues such as sport cinema performance and the internet Each chapter is written by a world expert in the field Invaluable for students of Chinese studies this book includes a glossary of key terms a chronology and a guide to further reading For the interested reader or traveler it reveals a dynamic diverse and fascinating culture many aspects of which are now elucidated in English for the first time *Gender and Work in Urban China* Jieyu Liu,2007-03-06 Drawing upon extensive life history interviews this book makes the voices of ordinary women workers heard and applies feminist perspectives on women and work to the Chinese situation *China in the 21st Century* Jeffrey N. Wasserstrom,Maura Elizabeth Cunningham,2018-03-12 In this fully revised and updated third edition of China in the 21st Century What Everyone Needs to Know Jeffrey N Wasserstrom and Maura Elizabeth Cunningham provide cogent answers to urgent questions regarding the world s newest superpower and offer a framework for understanding China s meteoric rise from developing country to superpower Framing their answers through the historical legacies Confucian thought Western and Japanese imperialism the Mao era and the Tiananmen Square massacre that largely define China s present day trajectory Wasserstrom and Cunningham introduce readers to the Chinese Communist Party the building boom in Shanghai and the environmental fallout of rapid Chinese industrialization They also explain unique aspects of Chinese culture such as the one child policy and provide insight into Chinese American relations a subject that has become increasingly fraught during the Trump era As Wasserstrom and Cunningham draw parallels between China and other industrialized nations during their periods of development in particular the United States during its rapid industrialization in the 19th century they also predict how we might expect China to act in the future vis vis the United States Russia India and its East Asian neighbors Updated to include perspectives on Hong Kong s shifting political status as well as an expanded discussion of President Xi Jinping s time in office China in the 21st Century provides a concise and insightful introduction to this significant global power *Acting the Right Part* Xiaomei Chen,2002-01-31 Acting the Right Part is a cultural history of huaju modern Chinese drama from 1966 to 1996 Xiaomei Chen situates her study both in the context of Chinese literary and cultural history and in the context of comparative drama and theater cultural studies and critical issues relevant to national theater worldwide Following a discussion of the marginality of modern Chinese drama in relation to other genres periods and cultures early chapters focus on the dynamic relationship between theater and revolution Chosen

during the Cultural Revolution as the exclusive artistic vehicle to promote proletariat art model theater raises important questions about the complex relationships between women memory nation state revolution and visual culture Throughout this study Chen argues that dramatic norms inform both theatrical performance and everyday political behavior in contemporary China *Remaking China's Public Philosophy and Chinese Women's Liberation* Jinghao Zhou,2006 Views women s liberation as a comprehensive project and part of the process of China s democratization by using the prism of public philosophy to examine Chinese women s liberation in a global context **Chinese Women Organizing** Ping-Chun Hsiung,Maria Jaschok,Cecilia Milwertz,2001-11-01 In the process of helping women to help themselves female activists have assumed a decisive role in negotiating social and political transformations in Chinese society This is the first book that describes and analyzes the new phase of women s organizing in China which started in the 1980s and remains a vital force to the present day The political and social changes taking place in contemporary Chinese society have surprisingly received scant attention This volume enriches our understanding of the working of grassroots democracy in China by exploring women s popular organizing activities and their interaction with party state institutions By subjecting these activities to both empirical enquiry and theoretical scrutiny a rigorous analysis of the exchange dialogue negotiation and transformation among and within three groups of political actors popular women s groups religious groups and the All China Women s Federation is concisely presented to the reader This book will be of tremendous interest to students of Chinese Studies Political Science and Gender Studies alike **Translating Feminisms in China** Dorothy Ko,Wang Zheng,2007-11-28 This volume which brings together articles by scholars and activists in China Japan Canada and the US in multiple disciplines seeks to illuminate the problems and possibilities involved in translating feminism from the metropolitan West to a locale rife with its own ideas about gender class the body and sexuality Furthermore these articles showcase the centrality of gender in the formation of modern China by demonstrating the extent to which translated feminisms whatever they mean have transformed the terms in which modern Chinese understand their own subjectivities and histories This book is essential reading for students academics and general readers interested in East Asia comparative women s history feminist texts and the politics of translation *Women in China* Mechthild Leutner,Nicola Spakowski,2005 The Chinese Republican period often seen as representing a continuum between Imperial China and the People s Republic of China was shaped by profound upheavals that also impacted strongly on gender relations This volume presents the latest research on the situation of women during the Republican period placing it in historical perspective In addition to contributions dealing with theoretical and methodological approaches to China related women s research a broad spectrum of experiences and discourses related to women in China is also considered women and the state women and the nation political women and their posthumous careers little traditions and discourses of otherness women in social and economic life and women s education Mechthild Leutner is professor of Chinese studies at the Freie Universitt in Berlin Nicola Spakowski is a professor at the International University
