Some Reflections Upon Marriage:

Some Reflections Upon Marriage; With additions Mary Astell,2023-09-24 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision *Some Reflections Upon Marriage* Mary Astell,Sharon L. Jansen,2014 Throughout her life in her personal relationships as well as in her role as a public intellectual the English thinker Mary Astell 1666 1731 supported women wrote to and for women and to the greatest extent possible moved from advocacy to action on their behalf In Some Reflections upon Marriage London 1700 Astell focused her attention on the institution of marriage For Astell marriage is a divinely ordained state a Christian institution the only way to perpetuate humankind But she asks if marriage be such a blessed state how comes it there are so few happy marriages When her analysis is complete there is not much to recommend the institution at least from a woman s perspective Marriage is necessary since it represents the only honorable way of continuing mankind But as Astell observes the woman who marries ought to lay it down for an indisputable maxim that her husband must govern absolutely and entirely and that she has nothing else to do but to please and obey Her radical conclusion If she cannot accept marriage as it truly is then a woman might choose not to marry perhaps Astell suggests it is not good for a woman to marry Despite the importance of Some Reflections upon Marriage no previous edition has addressed the complications of Astell s prose style and none has added the kind of glossing and notes that will assist student readers in their engagement with her distinctive voice This edition designed for classroom use provides an ample introduction a carefully modernized text helpful glosses and notes and a useful bibliography with references for further reading

traditional subjugation of other halves as chattel legally speaking At the dawn of the century an actual lifestyles scandal began to find its manner into literature on each the fictitious and non fictional aspect of the spectrum that kicked off the 18th century restructuring of the phrases of matrimony Hortense Mancini duchess of Mazarin escaped to England to avoid filing to the authority of her husband whom she had deserted on grounds that covered sexual perversion Charles II of England signed an order extending a prodigious pension to the duchess who right away used it to release a life style each bit as debauched and depraved because the accusations she had leveled towards her husband It became less the depravity than the standards relation to the unquestioned authority granted the husband in marriages that prompted Mary Astell to post her debatable and groundbreaking essay Some Reflections Upon Marriage in 1700 Allegedly commenced and finished over the path of just one unmarried afternoon the overriding message of the piece is that marriage under the present framework was nothing more nor less than a lure in which ladies gave up all claims of equality in the partnership and making matters worse found themselves without a prison recourse to extricate themselves from the lure The conventions of marriage have been built now not upon any semblance of a real partnership between husband and wife however alternatively as a system designed to propagate myths about gender inferiority As lengthy as this become so women might do a great deal better to look interior themselves or toward God for guidance on accomplishing happiness and enhancing their lives Astell practiced what she preached She never did marry **Some Reflections Upon Marriage** Astell Mary 1668-1731,2015-12-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Some Reflections Upon Marriage** **By Mary Astell Illustrated Novel** Mary Astell,2020-12-11 If all Men are born Free how is it that all Women are born Slaves For many parts of the world such a bold protest resonates as tellingly today as it did three hundred years ago in England
