**Some Assembly Required** George Bradley,2021-04-21 George Bradley whose previous work has drawn praise from James Merrill and Harold Bloom here meditates on contemporary culture on the natural world and the world imagined and on the life of the poet Whether he is standing in line at the SuperSave where tabloids beckon or contemplating the change of seasons in a classic sonnet sequence Bradley juxtaposes the sublime workings of the mind with the mundane static that surrounds it What he finds in this conjunction is a surprising beauty a uniquely contemporary formal music and often a curative dose of humor Even verse itself is not exempt from his clarifying view as he proves in How I Got in the Business a wild ride through several sorts of commerce including the poetry trade Throughout Some Assembly Required Bradley savors both the riveting accident of everyday life and the long view afforded by art in poetry that is taut witty and dynamic

**Some Assembly Required** Regina Sollers,2016-12-24 Poems to bless inspire and comfort *Some Assembly Required* Regina Sollers,2013-03-15 *Some Assembly Required (Hope Sold Separately)* Sophia Armstrong,2024-12-23 Some Assembly Required Hope Sold Separately invites readers into a world where fragments of experience and emotion collide forming a mosaic of introspection and resilience Through poignant verses the poet explores the delicate dance of hope and despair illustrating the complexity of assembling a fulfilling life amid chaos and uncertainty Each poem serves as a puzzle piece urging us to confront our vulnerabilities while celebrating the strength found in our shared humanity With a blend of raw honesty and lyrical beauty this collection challenges the notion of perfection suggesting instead that it is in the imperfect assembly of our stories that true hope emerges Prepare to be captivated by the vivid imagery and heartfelt reflections that echo the relentless pursuit of meaning and connection in a fractured world Join the journey of self discovery and embrace the idea that while hope may not come ready made it is often found in the act of creation itself **Some Assembly Required** Geoffrey Schmitt,2015-03-07 This is a collection of poems about everyday life Some are fun and light hearted Some are serious and thoughtful Some are just simple thoughts about life All will entertain amuse or perhaps remind you of your own life's adventure

Some Assembly Required Thomas Piché, Mark Alice Durant, Melissa Pearl Friedling, 2002

This exhibition explores what is perhaps the dominant aesthetic of the 20th century collage. Curated and organized by the Everson Museum of Art in Syracuse New York Some Assembly Required examines the history of collage as it has unfolded in the United States in the fifty plus years since the end of World War II. From its beginnings in Cubism around 1912 when the term described the act of gluing bits of newspaper and other everyday objects onto the surface of paintings collage has evolved to include works that combine found objects, photographs and images from popular media. In addition to revolutionizing the way artists make art, collage can be appreciated for the way it has accompanied and fostered some of the most momentous shifts in art and society during the post war period. Some Assembly Required consists of 45 works done in various types of media including paper, photomontage, sculptural assemblage, digital art and video. The selected works vary from traditional to cutting edge with a wide diversity of conceptual aims.
