SOME DEEPER ASPECTS of MASONIC SYMBOLISM (Annotated) Arthur Edward Waite,2017-11-05 THE subject which I am about to approach is one having certainobvious difficulties because it is outside the usual horizon ofMasonic literature and requires therefore to be put withconsiderable care as well as with reasonable prudence Moreover it is not easy to do it full justice within the limits of a singlelecture I must ask my Brethren to make allowance beforehand forthe fact that I am speaking in good faith and where the evidencefor what I shall affirm does not appear in its fullness andsometimes scarcely at all they must believe that I can produce itat need should the opportunity occur As a matter of fact somepart of it has appeared in my published writings I will introduce the question in hand by a citation which isfamiliar to us all as it so happens that it forms a good point ofdeparture But as we are not all operative Masons but ratherFree and Accepted or speculative we apply these tools to ourmorals With certain variations these words occur in each of theCraft Degrees and their analogies are to be found in a fewsubsidiary Degrees which may be said to arise out of the Craft as for example the Honorable Degree of Mark Master Mason Thatwhich is applied more specially to the working implements ofMasonry belongs to our entire building symbolism whether it isconcerned with the erection by the Candidate in his ownpersonality of an edifice or superstructure perfect in its partsand honorable to the builder or in the Mark Degree with ahouse not made with hands eternal in the heavens or again withSolomon s Temple spiritualized in the Legend

of the Master Degree *The Old Past Master: Foundations of Freemasonry Series* Carl H. A handbook for newly made Master Masons whom desire to further seek the Light Comprising of JSM Ward WL Wilmhurst AE Waite and JF Newton **Plot or Paranoia** Nicholas Curri,2015-05-22 The purpose of this book is to introduce the reader to facts not readily available and in many instances purposefully hidden about the birth of this country the framers of the Constitution and their hidden agenda This book gives some insights into the problems that the founders of this country faced in convincing the people that they would have a large voice in their government and freedoms not enjoyed by other countries And at the same time keeping total control of all monetary assets making sure that the ruling elites pockets were lined in a fashion befitting monarchs In other words the founders problem was how do we keep the dummies under control and
