Experiences and Their Results Michael Agerskov, 1979 This is an account of some of the personal psychic experiences of Johanne and Michael Agerskov which eventually led to the prodigal son's return to God and the subsequent publication of the three transcendental works known collectively as the Books of Toward the Light In recounting those experiences the author sought to demonstrate to the logical mind that the human spirit transcends death and that behind the visible world there are invisible intelligences from another dimension who can intervene to bring us knowledge of the transcendental world **My Experiences in Spiritualism** Catherine Berry, 1872 **Living in the Borderland** Jerome S.
